### VIRGIN MEDIA SECURED FINANCE PLC ANNOUNCES RESULTS AS OF THE EARLY EXCHANGE DEADLINE AND RECEIPT OF REQUISITE CONSENTS TO AMEND THE ORIGINAL INDENTURE

London – 10.30 a.m., February 24, 2017.

Virgin Media Secured Finance PLC (the “**Issuer**”) today announced that the Early Exchange Deadline (as defined below) of the previously announced Exchange Offer and Consent Solicitation (each as defined and described below) expired at 11:59 p.m., New York time, on February 23, 2017 (such time and date, the “**Early Exchange Deadline**”) and confirmed that, as of the Early Exchange Deadline, it has received valid tenders of its sterling-denominated 5.5% senior secured notes due 2021 (the “**Original Sterling Notes**”) in exchange for new sterling-denominated 6.0% senior secured notes due 2025 (the “**New Notes**”) and delivery of corresponding consents from holders of a majority in aggregate principal amount of Original Notes (as defined below) outstanding (the “**Requisite Consents**”), as further described below.

On February 8, 2017, the Issuer announced the commencement of (A) an offer to exchange (the “**Exchange Offer**”) any and all of its outstanding Original Sterling Notes for the New Notes upon the terms and conditions of the offering memorandum dated as of February 8, 2017 (as amended or supplemented (including by a supplement dated as of February 16, 2017), the “**Offering Memorandum**”) and (B) a solicitation of consents (the “**Consent Solicitation**”) and, together with the Exchange Offer, the “**Offer**”) from Eligible Holders (as defined below) to make certain proposed amendments to the indenture (the “**Original Indenture**”) governing the Original Sterling Notes and the dollar-denominated 5.25% senior secured notes due 2021 (the “**Original Dollar Notes**”, together with the Original Sterling Notes, the “**Original Notes**”), pursuant to which substantially all of the restrictive covenants, certain events of default and certain additional covenants, rights and obligations contained in the Original Indenture will be aligned with those for the New Notes (the “**Proposed Amendments**”). The terms and conditions of the Offer are set forth in the Offering Memorandum. Capitalized terms used herein and not otherwise defined have the meanings ascribed to them in the Offering Memorandum.

As at the Early Exchange Deadline, the following Original Sterling Notes had been validly tendered and not validly withdrawn or revoked:

ISIN/Common Code	Outstanding Principal Amount of the Original Sterling Notes	Early-Tendered Principal Amount of the Original Sterling Notes	Aggregate Early-Tendered Principal Amount of the Original Sterling Notes (%)	Early Exchange Consideration (per £1,000 of Original Sterling Notes)	Later Exchange Consideration (per £1,000 of Original Sterling Notes)
Registered Notes: XS0658363865 065836386	£628,400,000	£520,794,000	82.88%	£1,000 principal amount of New Notes (the “ <b>Early Exchange Consideration</b> ”)	£970 principal amount of New Notes (the “ <b>Later Exchange Consideration</b> ”) and, together with the Early Exchange Consideration, the “ <b>Exchange Consideration</b> ”)

As a result of obtaining the Requisite Consents as at the Early Exchange Deadline, the Issuer, the Guarantors and the Original Notes Trustee under the Original Indenture are expected to promptly execute and deliver a supplemental indenture to the Original Indenture (the “**Supplemental Indenture**”) (such date of execution and delivery, the “**Consent Effective Date**”), pursuant to which the Proposed Amendments will be effected; *provided that* the Proposed Amendments will only become operative upon the issuance of the New Notes on the Exchange Date (as defined below). As described in the Offering Memorandum, since the Withdrawal Deadline (as defined below) has occurred, Original Sterling Notes that have been or will be validly tendered in the Offer may not be withdrawn or revoked, except if the Offer is terminated or otherwise not completed or as otherwise provided by law.

The Offer will expire at 11:59 p.m., New York time, on March 9, 2017, unless extended (such time and date, as the same may be extended, the “**Expiration Time**”). Tenders of the Original Sterling Notes pursuant to the Offer could only be withdrawn prior to the earlier to occur of (i) the Early Exchange Deadline and (ii) the date on which the Requisite Consents to the Proposed Amendments are received (the “**Withdrawal Deadline**”), but not thereafter.

Eligible Holders whose Original Sterling Notes were validly tendered at or prior to the expiration of the Early Exchange Deadline and were not withdrawn at or prior to the Withdrawal Deadline will receive £1,000 in principal amount of New Notes per £1,000 principal amount of Original Sterling Notes. For any Original Sterling Notes tendered after the Early Exchange Deadline, but before the Expiration Time, Eligible Holders will receive £970 in principal amount of New Notes per £1,000 principal amount of Original Sterling Notes. Interest on the New Notes will initially accrue at the rate of 6.0% per annum, provided that from (and including) January 15, 2021, the New Notes will accrue interest at a rate of 11.0% per annum. Prior to January 15, 2021, the New Notes will not be redeemable by the Issuer without paying a “make whole” premium. On or after January 15, 2021, the Issuer may redeem all or part of the New Notes at an initial redemption price (expressed as a percentage of the principal amount of New Notes) of 105.0%, with two further step downs in the redemption price of 102.5% and par from January 15, 2022 and January 15, 2023, respectively. The New Notes will be issued promptly following the Expiration Time, which is expected to be on the second business day following the Expiration Time (the “**Exchange Date**”). Eligible Holders will also receive accrued and unpaid interest in cash on Original Sterling Notes accepted for exchange through, but not including, the Exchange Date. Eligible Holders who tender their Original Sterling Notes in the Exchange Offer are deemed to have consented to the Proposed Amendments and Eligible Holders may not tender their Original Sterling Notes in the Exchange Offer without delivering Consents. Any Original Sterling Notes not tendered and exchanged pursuant to the Offer will remain outstanding and the Eligible Holders of such notes will be subject to the terms of the Supplemental Indenture even though they did not consent to the Proposed Amendments.

The Offer is being made solely pursuant to the Offering Memorandum, which more fully sets forth and governs the terms and conditions of the Offer, how to tender the Original Sterling Notes in the Offer and deliver Consents thereby, and certain conditions to the Offer. The Offering Memorandum contains important information that should be read carefully before any decision is made with respect to the Offer. Copies of the Offering Memorandum can be obtained by Eligible Holders of the Original Sterling Notes from the Exchange Agent and Information Agent at the telephone number below.
