(a) Liberty Global defines operating cash flow as revenue less operating and selling, general and administrative expenses (excluding share-based compensation, depreciation and amortization, provisions for litigation and impairment, restructuring and other operating items).

(b) Liberty Global defines free cash flow as net cash provided by operating activities, plus (i) excess tax benefits related to the exercise of share incentive awards and (ii) cash payments for direct acquisition costs, less (a) capital expenditures, as reported in our consolidated cash flow statements, (b) principal payments on vendor financing obligations and (c) principal payments on capital leases (exclusive of the portions of the network lease in Belgium and the duct leases in Germany that we assumed in connection with certain acquisitions), with each item excluding any cash provided or used by our discontinued operations.
