

Information related to Regulation G

Ziggo Group Holding B.V. (Ziggo):

Ziggo, a wholly-owned subsidiary of Liberty Global plc, is a broadband communications operator in the Netherlands.

Segment operating cash flow (Segment OCF) is a non-GAAP measure as contemplated by the U.S. Securities and Exchange Commission's Regulation G. Segment OCF is the primary measure used by Ziggo's management to evaluate its performance. Segment OCF is also a key factor that is used by Ziggo's internal decision makers to evaluate the effectiveness of its management for purposes of annual and other incentive compensation plans. A reconciliation of Segment OCF to the most directly comparable GAAP financial measure is presented below:

	Three months ended September 30,		Nine months ended September 30,	
	2016	2015	2016	2015
	in millions			
Segment OCF (a)	€ 336.6	€ 349.3	€ 992.4	€ 1,010.8
