- *Creates premier broadband and wireless platform with **10 million** subscribers*
- *Purchase price multiple of **10.7x** including only reported synergies*
- *Additional synergies expected beyond **\$125 million** previously reported*

- *Leading regional platform will capitalize on further **M&A** opportunities*

Denver, Colorado – November 16, 2015:

Liberty Global plc (“Liberty Global”) (NASDAQ: LBTYA, LBTYB, LBTYK, LILA and LILAK) and Cable & Wireless Communications Plc (“CWC”) (LSE: CWC) today announced a recommended offer (the “Offer”) by Liberty Global for all outstanding and to be issued shares of CWC. Pursuant to the Offer, Liberty Global would acquire CWC for shares of Liberty Global in a scheme of arrangement valuing CWC at a total equity value of approximately £3.5 billion (\$5.3 billion)¹, or an implied price of 78.04 pence per CWC share, based on closing share prices as of November 13, 2015. Further, CWC shareholders would be entitled to receive a special dividend in the amount of 3.00 pence per share at the closing of the transaction, which would be in lieu of any previously announced CWC dividend.

The consideration of 81.04 pence per CWC share represents a purchase price multiple of 10.7x CWC’s adjusted LTM September 30, 2015 EBITDA (on a proportionate basis), after taking into consideration the unrealized² cost synergies resulting from CWC’s acquisition of Columbus International (“Columbus”). We believe that there are incremental financial benefits over and above the \$125 million of total run-rate cost synergies that have been publicly quantified by CWC with respect to the Columbus acquisition, and we expect to derive additional synergies as a result of the combination of our LiLAC operations with CWC. We cannot provide an estimate of the total incremental synergies at this time because a quantified financial benefits statement is required under the U.K.

Takeover Code, which has not been prepared at this time. On a pro-forma basis, we expect the combined group of CWC and LiLAC to deliver low double-digit rebased OCF growth over the medium term.

Under the terms of the Offer, Liberty Global will issue a maximum of approximately 31.7 million LBTYA, 77.5 million LBTYK, 3.6 million LILA and 8.9 million LILAK ordinary shares³. In addition, Liberty Global will assume CWC's existing proportionate net debt as part of the transaction, which was \$2.7 billion as of September 30, 2015. We expect that the dividend and estimated fees and expenses will be funded from CWC liquidity including incremental debt borrowings and LiLAC Group liquidity.

Mike Fries, CEO of Liberty Global, said, "The acquisition of Cable & Wireless represents a watershed moment for our recently created LiLAC platform. It will add significant scale and management depth to our fast-growing operations in Latin America and the Caribbean, while creating a new regional consumer and B2B powerhouse. Upon completion, the combined business will serve 10 million video, data, voice and mobile subscribers, with leading positions across multiple markets."

"With our long track record of strong operational and financial performance in the region, we are confident that this combination will yield substantial synergies and accelerate our current prospects for the LiLAC Group to low double-digit rebased OCF growth over the medium term. Our high-quality networks and commitment to product innovation will provide the foundation for growth and value creation for both Liberty Global and LiLAC shareholders. Upon closing, the combined LiLAC and CWC businesses will benefit from the broader group's scale and management expertise."

Completion of the acquisition is subject to, among other conditions, Liberty Global and CWC shareholder approvals, certain regulatory approvals and court sanction of the scheme of arrangement. Following the completion of the acquisition, it is expected that CWC will be attributed to the LiLAC Group, with the Liberty Global Group holding an inter-group interest in the LiLAC Group, based on the 5 day volume-weighted average price (VWAP) of Liberty Global shares leading up to the date of this announcement, and a 95 trading day VWAP for LiLAC shares, which covers the period from launch of the LiLAC tracking stock up to this announcement. Based on the Offer set forth above, the LiLAC Group, on a pro forma basis³, will be approximately 25.44% owned by existing LiLAC Group shareholders and 7.21% owned by existing CWC shareholders, with 67.35% represented by the inter-group interest in favor of the Liberty Global Group. No decision has been made as to whether the LiLAC businesses would be spun-off; however, outstanding inter-group interests are generally distributed to shareholders in spin transactions.

The offer represents an 11% premium to the 5-day CWC VWAP of 73.11p as of November 13, 2015 close and a premium of 40% to the closing share price of CWC of 58.00p on October 21, 2015, the day before CWC announced that they were in talks to be acquired by Liberty Global.

The Offer includes three alternative proposals which CWC shareholders can elect to receive, as described in detail in the Rule 2.7 announcement: a recommended proposal and two alternative proposals. CWC shareholders are encouraged to review that document for details. A brief summary of the proposals follows: The CWC shareholders electing to receive the recommended proposal will receive as consideration an amount of Liberty Global shares, with a right to "mix and match" LiLAC shares, subject to pro-rata. The recommended proposal would have an estimated value of 86.00p per share based on the closing share price of Liberty Global shares (blended) as of November 13, 2015 (assuming no LiLAC shares are elected). Shareholders electing to receive either of the two other proposals (the "Alternative Proposals") will receive combinations of Liberty Global and LiLAC shares in different proportions. The former majority Columbus shareholders ("Columbus Holders") have agreed to elect for the Alternative Proposals, which are valued at 78.14p and 68.22p, respectively, based on the

closing share prices of Liberty Global and LiLAC shares (blended) as of November 13, 2015. The blended weighted average of these three alternative offers is an implied price of 81.04 pence per CWC share. In no event does the amount of consideration paid by Liberty Global increase as a result of CWC shareholders making any of these elections, as the number of Liberty Global and LiLAC shares are fixed. Please see the Rule 2.7 announcement for further details.

Strategic combination of LiLAC and CWC

Creating the leading consumer and B2B communications provider in Latin America and the Caribbean

Together with the meaningful synergy opportunity, the combined operations will create a unique investment vehicle, which includes an attractive combination of organic growth and further consolidation opportunities throughout Latin America and the Caribbean.

We expect the proposed transaction will enhance the long-term equity value for both Liberty Global Group and LiLAC Group shareholders for the following reasons:

- **Combines high-growth assets in the Latin America and the Caribbean region to form the leading consumer and B2B communications provider**, with 10 million video, broadband, fixed and mobile telephony subscription services⁴. This new combination would have generated estimated consolidated revenue⁵ of over \$3.5 billion and estimated consolidated OCF⁵ of \$1.4 billion for the twelve months ended September 30, 2015. The combined business is expected to deliver low double-digit rebased OCF growth over the medium term.
- **Adds a powerful B2B Latin American and Caribbean platform to LiLAC**, as CWC's comprehensive product portfolio and extensive terrestrial and submarine network will position LiLAC to capitalize on the growth in the business market throughout the region.
- **Enables continued network investment and product innovation for the benefit of consumers and business customers alike**, taking advantage of efficiencies driven from combined scale, and leveraging both companies' complementary experience in product development and customer-centricity.
- **Offers attractive organic growth opportunities in broadband, pay TV and mobile data**; Liberty Global expects to capitalize on the market-leading brands, superior fixed and mobile networks and product leadership of the new combination to take advantage of underlying untapped demand for broadband, pay TV and mobile products and drive customer take-up.
- **Provides significant synergy opportunities**; together with the extensive integration that is currently ongoing by CWC with respect to its recent acquisition of Columbus and supported by Liberty Global's proven integration experience, we believe there are incremental financial benefits over and above those publicly quantified (\$125 million of cost synergies) by CWC, as well as additional synergy opportunities from combining CWC with LiLAC.
- **Creates leading regional platform to capitalize on further M&A opportunities**; Liberty Global believes that the combined businesses of LiLAC and CWC will be well-positioned to exploit the fragmented telecom and pay television landscape.

Transaction Details

For the transaction details, please see the Rule 2.7 announcement in its entirety, which has been attached as Appendix A to this press release.

In connection with the transaction, Goldman Sachs International and LionTree Advisors acted as financial advisors to Liberty Global. Shearman & Sterling LLP served as legal counsel to Liberty Global.

Next Steps and Indicative Timetable

The issuance of shares to CWC shareholders requires approval by the Liberty Global shareholders under applicable NASDAQ listing rules and U.K. corporate law.

Liberty Global will prepare and send to Liberty Global shareholders a proxy statement summarizing the background to and reasons for the transaction, which will include a notice convening a meeting of Liberty Global shareholders to approve the transaction. The transaction is conditional on, among other things, the approval of the shares issued in the transaction by the requisite majority of Liberty Global shareholders.

It is expected that a proxy statement will be filed with the SEC and sent to Liberty Global shareholders during the first quarter of 2016. It is anticipated that both the Liberty Global and the CWC shareholder meetings will be held within approximately five months of the date of this announcement.

Based on the required steps and subject to the necessary conditions and approvals, Liberty Global anticipates that the Offer will close in the second quarter of 2016.

Synergy Opportunity

In addition to the extensive integration that is ongoing between CWC and Columbus, which is expected to generate \$125 million of run-rate cost savings and \$145 million of one-time capital expenditure synergies by March 31, 2018, CWC has also disclosed that they expect material revenue synergies through cross-selling, improvements in the video offering and network quality, and enhancements in the B2B offering.

Furthermore, Liberty Global expects to generate synergies as a result of the integration of CWC and the LiLAC Group businesses. Areas of opportunity include savings related to elimination of public company expenses, further corporate and administrative rationalization of existing LiLAC Group operations with those of CWC, leveraging the combined scale in areas such as content, procurement, and product development, and capitalizing on CWC's terrestrial and submarine network assets and B2B expertise and product portfolio to benefit LiLAC Group's operations.

In order to provide an estimate of synergies over and above the \$125 million mentioned above, a quantified financial benefits statement is required under the U.K. Takeover Code. Such statement regarding the additional potential synergies has not been prepared and therefore an incremental synergy figure cannot be provided at this time.

If the transaction closes, utilization of CWC's US and U.K. deferred tax assets would be restricted and we believe that material realization of the benefits of those assets would be unlikely.

Liberty Global plc (“Liberty Global”)

Summary

- The Liberty Global Directors and the CWC Directors are pleased to announce that they have reached agreement regarding the terms of a recommended acquisition through which Liberty Global will acquire the entire issued and to be issued share capital of CWC.
- Under the terms of the Transaction, the consideration for CWC will comprise up to approximately 31.7 million Liberty Global Class A Ordinary Shares, 77.5 million Liberty Global Class C Ordinary Shares, 3.6 million LiLAC Class A Ordinary Shares and 8.9 million LiLAC Class C Ordinary Shares. The aggregate consideration implies a value of 81.04 pence per CWC Share, representing a premium of approximately 40 per cent. to the Closing Price

¹ Or a value for CWC’s entire issued and to be issued share capital of approximately £3.64 billion and an implied value per CWC Share of 81.91 pence based on volume weighted average prices of the relevant Liberty Global Shares over the 10-day period ending on and including 13 November 2015, being the last practicable date prior to the date of this announcement, and the Exchange Rate

of 58.00 pence per CWC Share on the 21 October 2015 (being the day immediately prior to the Announcement of a possible offer by Liberty Global for CWC). The actual value received by each CWC Shareholder will depend upon whether CWC Shareholders elect for the Recommended Offer, the LiLAC Alternative or one of the Dual Share Alternatives (details of which are set out in this announcement) and the relevant price of Liberty Global Shares.

- CWC Shareholders will be able to elect for one of the following offers:
 - the Recommended Offer, for which the Independent CWC Directors who hold CWC Shares have irrevocably undertaken to elect, and which includes the LiLAC Alternative; or
 - the First Dual Share Alternative, for which CHLLC has irrevocably undertaken to elect; or
 - the Second Dual Share Alternative, for which Clearwater and Brendan Paddick have irrevocably undertaken to elect.
- **The CWC Directors intend unanimously to recommend that CWC Shareholders elect to receive the Recommended Offer. The CWC Directors do not intend to recommend either the First Dual Share Alternative or the Second Dual Share Alternative.**
- Under the Recommended Offer, CWC Shareholders shall be entitled to receive, for each CWC Share:
 - a number of New Liberty Global Class A Ordinary Shares as determined by the Exchange Ratio, such number not to be lower than 0.007921 and not to exceed 0.008301; and

- If the Exchange Ratio were calculated as at 13 November 2015 (being the last practicable date prior to the date of this announcement), under the Recommended Offer CWC Shareholders would be entitled to 0.008301 New Liberty Global Class A Ordinary Shares and 0.020321 New Liberty Global Class C Ordinary Shares for each CWC Share held by them.
- On the basis described above, the consideration under the Recommended Offer represents:
 - an indicative value of 86.82 pence² per CWC Share, including the Special Dividend;
 - a premium of approximately 18 per cent.³ to the Closing Price of 73.45 pence per CWC Share on 13 November 2015 (being the last practicable date prior to the date of this announcement);

² Or an indicative value of 86.00 pence per CWC Share, including the Special Dividend, based on the closing price of the Liberty Global Ordinary Shares on 13 November 2015, being the last practicable date prior to the date of this announcement.

³ Or a premium of 17 per cent. to the closing price of 73.45 pence per CWC Share on 13 November 2015 (being the last practicable date prior to the date of this announcement), based on the closing price of the Liberty Global Ordinary Shares on such date.

- a premium of approximately 50 per cent.⁴ to the Closing Price of 58.00 pence per CWC Share on 21 October 2015 (being the day immediately prior to the announcement of a possible offer by Liberty Global for CWC),
based on:
 - a volume weighted average price of \$45.87 per Liberty Global Class A Ordinary Share over the 10-day period ending on and including 13 November 2015 (being the last practicable date prior to the date of this announcement);
 - a volume weighted average price of \$43.99 per Liberty Global Class C Ordinary Share over the 10-day period ending on and including 13 November 2015 (being the last practicable date prior to the date of this announcement); and
 - the Exchange Rate.
- CWC Shareholders who elect for the Recommended Offer will also be able to elect for the LiLAC Alternative under which CWC Shareholders would receive New LiLAC Ordinary Shares in respect of part of their holdings of CWC Shares.
- Alternatively, CWC Shareholders will be entitled to elect for the First Dual Share Alternative or the Second Dual Share Alternative, under which CWC Shareholders would receive New Liberty Global Ordinary Shares and New LiLAC Ordinary Shares in respect of their entire holdings of CWC Shares.
- Further details of the Recommended Offer, the LiLAC Alternative, the First Dual Share Alternative and the Second Dual Share Alternative are set out in paragraph 2 of this announcement.
- It is intended that the Transaction will be implemented by way of a two-step, integrated process comprising a Scheme of Arrangement under Part 26 of the Companies Act followed by a merger by formation of a new company under the Cross Border Merger Regulations and Part 3A of Title 7 of Book 2 of the Dutch Civil Code.
- The Acquisition is subject to the Conditions and further terms which are set out in Appendix I to this announcement and which will be set out in the Scheme Document. The Conditions include, but are not limited to, the sanction of the Scheme by the Court, the approval of CWC Shareholders, the approval of Liberty Global Shareholders, and the receipt of certain antitrust and regulatory approvals.
- Following completion of the Transaction, Liberty Global expects to attribute CWC to the LiLAC Group, with the Liberty Global Group being granted an inter-group interest in the LiLAC Group. As a result, on a pro forma basis, 25.44 per cent. of the shares in the LiLAC Group will be owned by existing LiLAC Group Shareholders, 7.21 per cent. of the shares in the LiLAC Group will be owned by existing CWC Shareholders, and 67.35 per cent. of the shares in the LiLAC Group will be represented by the inter-group interest in favour of the Liberty Global Group. In addition, existing CWC Shareholders will hold approximately:

⁴ Or a premium of 48 per cent. to the closing price of 58.00 pence per CWC Share on 21 October 2015 (being the day immediately prior to the announcement of a possible offer by Liberty Global for CWC), based on the closing price of the Liberty Global Ordinary Shares on 13 November 2015 (being the last practicable date prior to the date of this announcement).

- 11 per cent. of the total number of Liberty Global Class A Ordinary Shares; and
 - 11 per cent. of the total number of Liberty Global Class C Ordinary Shares.
- Further details of the Recommended Offer, the LiLAC Alternative, the First Dual Share Alternative and the Second Dual Share Alternative are set out in paragraph 2 of this announcement.
 - The Liberty Global Directors believe that the Transaction will deliver significant value for the shareholders of both CWC and Liberty Global. The Liberty Global Directors believe that the premium offered, which includes the opportunity for CWC Shareholders to participate in combined value creation through the Transaction's equity component, represents a highly attractive opportunity for CWC Shareholders.
 - The Independent CWC Directors have considered the Transaction and the terms of the Transaction separately from the Non-independent CWC Directors in order to ensure an appropriately independent consideration of the Transaction in the interests of all CWC Shareholders. The CWC Directors, who have been so advised by Evercore, consider the financial terms of the Recommended Offer to be fair and reasonable. In providing its advice to the CWC Directors, Evercore has taken into account the commercial assessments of the CWC Directors.
 - Accordingly, the CWC Directors intend unanimously to recommend that CWC Shareholders vote in favour of the Scheme at the Court Meeting and the resolution(s) relating to the Acquisition to be proposed at the CWC General Meeting and to elect to receive the Recommended Offer, as the CWC Directors who hold CWC Shares (other than Brendan Paddick as he has irrevocably committed to accept the Second Dual Share Alternative) have irrevocably undertaken to do in respect of their own beneficial holdings of, in total, 16,108,842 CWC Shares, representing, in aggregate, approximately 0.37 per cent. of the ordinary share capital of CWC in issue on 13 November 2015 (being the latest practicable date prior to the date of this announcement). Further details of these irrevocable undertakings are set out in Appendix III to this announcement.
 - In addition, Liberty Global has received irrevocable undertakings from CHLLC (an entity controlled by John Malone), Clearwater (entities controlled by John Risley) and Brendan Paddick to vote (or procure the voting) in favour of the Scheme at the Court Meeting and the resolution(s) relating to the Transaction to be proposed at the CWC General Meeting in respect of those CWC Shares owned and/or controlled by those CWC Shareholders. Such CWC Shares amount to, in aggregate, 1,557,529,605 CWC Shares, representing approximately 35.7 per cent. of the ordinary share capital of CWC in issue on 13 November 2015 (being the latest practicable date prior to the date of this announcement). Under these irrevocable undertakings, CHLLC has undertaken to elect for the First Dual Share Alternative and Clearwater and Brendan Paddick have undertaken to elect for the Second Dual Share Alternative. Further details of these irrevocable undertakings are set out in Appendix III to this announcement.
 - In addition, Liberty Global has received a non-binding letter of support from Orbis, pursuant to which Orbis has confirmed its intention to vote in favour of the Scheme (or, in the event the Transaction is implemented by way of an Offer, to accept the Offer) in respect of its holding of 406,528,756 CWC Shares, representing approximately 9.3 per cent. of the ordinary share capital of CWC in issue on 13 November 2015 (being the latest practicable date prior to the date of this announcement).

- The issuance of Liberty Global Shares to CWC Shareholders and the acquisition by Liberty Global of CWC Shares from CHLLC, an entity controlled by John Malone, who is Liberty Global’s Chairman, which constitutes a substantial property transaction pursuant to the Companies Act, require approval by the Liberty Global Shareholders. The Liberty Global Directors intend to recommend unanimously (other than in the case of John Malone, who will not vote on the recommendation) that Liberty Global Shareholders vote in favour of the Liberty Global Resolutions to be proposed at the Liberty Global General Meeting which will be convened in connection with the Transaction. It is expected that the Proxy Statement, containing details of the Transaction and notice of the Liberty Global General Meeting, will be filed with the SEC and the Liberty Global General Meeting will be held within 5 months of the date of this announcement, around the same time as the CWC Meetings.
- CWC has received an irrevocable undertaking from John Malone to vote (or procure the voting) in favour of the Liberty Global Resolutions to be proposed at the Liberty Global General Meeting in respect of those Liberty Global Shares owned and/or controlled by John Malone, John Malone’s spouse and the Malone LG 2013 Charitable Remainder Trust. Such Liberty Global Shares amount to, in aggregate, 1,042,480 Liberty Global Class A Ordinary Shares, 8,677,225 Liberty Global Class B Ordinary Shares, 52,123 LiLAC Class A Ordinary Shares and 433,861 LiLAC Class B Ordinary Shares, representing approximately 24.6 per cent. of the shareholder voting rights of Liberty Global on 13 November 2015 (being the latest practicable date prior to the date of this announcement). Further details of this irrevocable undertaking are set out in Appendix IV to this announcement.
- The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting and the CWC General Meeting and the expected timetable of the Transaction, and will specify the actions to be taken by Scheme Shareholders. The Scheme Document will be sent to CWC Shareholders around the same time as the Proxy Statement is sent to Liberty Global Shareholders, which is currently expected to be within 4 months of the date of this announcement.
- It is currently expected that the Prospectus, containing information about the New Liberty Global Class A Ordinary Shares, New Liberty Global Class C Ordinary Shares, New LiLAC Class A Ordinary Shares and New LiLAC Class C Ordinary Shares, will be published around the same time as the Scheme Document.
- CWC and Liberty Global expect the Effective Date to occur in the second quarter of 2016, subject to the satisfaction or, where applicable, waiver of the Conditions and certain further terms set out in Appendix I to this announcement.
- Commenting on the Transaction, Mike Fries, CEO of Liberty Global said:

“The acquisition of Cable & Wireless represents a watershed moment for our recently created LiLAC platform. It will add significant scale and management depth to our fast-growing operations in Latin America and the Caribbean, while creating a new regional consumer and B2B powerhouse. Upon completion, the combined business will serve 10 million video, data, voice and mobile subscribers, with leading positions across multiple markets.”

“With our long track record of strong operational and financial performance in the region, we are confident that this combination will yield substantial synergies and accelerate our current prospects for the LiLAC Group to low double-digit rebased OCF growth over the medium term. Our high-quality

networks and commitment to product innovation will provide the foundation for growth and value creation for both Liberty Global and LiLAC shareholders. Upon closing, the combined LiLAC and CWC businesses will benefit from the broader group's scale and management expertise."

- Also commenting on the Transaction, Phil Bentley, CEO of CWC said:

"Since we launched our new strategy two years ago, CWC has transformed itself into a leading regional quad play operator. The disposal of Monaco, the creation of our regional hub in Miami and the recent acquisition of Columbus accelerated our competitive positioning whilst at the same time generating significant value for shareholders and enhanced service levels for our customers."

"Liberty Global offers scale and world class capabilities and will be an outstanding custodian of our business, both for our people and our customers. The years ahead should bring new opportunities for further success, faster growth and enhanced customer benefits, built on the strong foundation we have created."

"I would like to take this opportunity to thank all the employees of CWC for their hard work to position our company for success, culminating in the substantial shareholder value creation, announced today."

The Transaction will be subject to the Conditions and certain further terms set out in Appendix I to this announcement and to the full terms and conditions which shall be set out in the Scheme Document, including the sanction of the Scheme by the Court. This announcement, the Scheme Document and certain other documents relating to the Transaction have been or will be prepared in accordance with the Code and UK disclosure requirements, format and style, all of which differ from those in the United States. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Transaction is subject to the disclosure requirements of and practices applicable in the United Kingdom to schemes of arrangement, which differ from the disclosure requirements of the United States tender offer and proxy solicitation rules.

CWC's financial statements, and all CWC financial information that is included in this announcement or that may be included in the Scheme Document, or any other documents relating to the Transaction, have been or will be prepared in accordance with International Financial Reporting Standards and may not be comparable to financial statements of companies in the United States or other companies whose financial statements are prepared in accordance with US generally accepted accounting principles.

All statements other than statements of historical fact may be forward-looking statements. Forward-looking statements are statements of future expectations that are based on current expectations, assumptions and projections about future events, and are therefore subject to risks and uncertainties which could cause actual results, performance or events to differ materially from those expressed or implied by the forward-looking statements. achieved. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations.

Such forward-looking statements involve risks and uncertainties that could significantly affect expected results and are based on certain key assumptions. Many factors could cause actual results to differ materially from those projected or implied in any forward-looking statements included in this announcement, including (without limitation): local and global economic and business conditions; market-related risks such as fluctuations in interest rates and exchange rates; the policies and actions of regulatory authorities; the impact of competition, inflation and deflation; the timing impact and other uncertainties of future acquisitions, disposals or combinations within relevant industries (including uncertainties relating to the execution of the Transaction); as well as the impact of tax and other legislation or regulations in the jurisdictions in which Liberty Global and/or the CWC Group operate. Additional factors that could cause actual results to differ materially from such forward-looking statements are set out in Liberty Global's Annual Report on Form 10-K for the fiscal year ended 31 December 2014 and its subsequent Quarterly Reports on Form 10-Q for the fiscal quarters ended 31 March 2015, 30 June 2015 and 30 September 2015, respectively, and in the annual reports and accounts of CWC for the financial year ended 31 March 2015 and CWC's interim results for the six months ended 30 September 2015.

Due to such uncertainties and risks, readers are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date of this announcement. All forward-looking statements in this announcement are expressly qualified in their entirety by the cautionary statements contained in or referred to in this section.

Each forward-looking statement made in this announcement on behalf of Liberty Global or CWC is made as of the date of this announcement based on the opinions and estimates of Liberty Global and CWC, respectively. Each of Liberty Global, CWC and the CWC Group and their respective members, directors, officers, employees, advisers and any person acting on behalf of one or more of them, expressly disclaims any intention or obligation to update or revise any forward-looking or other statements contained in this announcement, whether as a result of new information, future events or otherwise, except as required by applicable law. Neither Liberty Global, CWC, the CWC Group nor their respective members, directors, officers or employees, advisers or any person acting on their behalf, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur.

No forward-looking or other statements have been reviewed by the auditors of Liberty Global or CWC. All subsequent oral or written forward-looking statements attributable to any of Liberty Global, CWC, the CWC Group, or to any of their respective members, directors, officers, advisers or employees or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements above.

No profit forecasts or estimates

Nothing in this announcement is intended or shall be deemed to be a profit forecast, projection or estimate of the future financial performance of Liberty Global, CWC or the Combined Group and no statement in this announcement should be interpreted to mean that earnings or earnings per share of those persons (where relevant) for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share of those persons (where relevant).

Quantified financial benefits

Statements in the Quantified Financial Benefits Statement relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved may be materially different from those estimated. For the purposes of Rule 28 of the Code, the Quantified Financial Benefits Statement contained in this announcement is the responsibility of CWC and the CWC Directors. Neither these statements nor any other statement in this announcement should be construed as a profit forecast or interpreted to mean that the Combined Group's earnings in the first full year following

implementation of the Transaction, or in any subsequent period, would necessarily match or be greater than or be less than those of Liberty Global or CWC for the relevant preceding financial period or any other period.

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

- 8,939,328 New LiLAC Class C Ordinary Shares.

CWC Shareholders will also receive a special dividend of 3 pence per CWC Share (the “**Special Dividend**”). No other dividend is currently contemplated by CWC to be declared or paid prior to the Scheme Effective Date.

The aggregate consideration under the Transaction, taking into account the Special Dividend, represents a value for CWC's entire issued and to be issued share capital, as at 13 November 2015, being the last practicable date prior to this Announcement, of approximately £3.60 billion.⁵ Based on 4,438,594,233 CWC Shares in issue on 13 November 2015, being the last practicable date prior to the date of this Announcement, and the Exchange Rate, the aggregate consideration implies a value of 81.04 pence per CWC Share, representing a premium of approximately 40% to the Closing Price of 58.00 pence per CWC Share on the 21 October 2015 (being the day immediately prior to the Announcement of a possible offer by Liberty Global for CWC). The actual value received by each CWC Shareholder will depend upon whether CWC Shareholders elect for the Recommended Offer, the LiLAC Alternative or one of the Dual Share Alternatives, details of which are set out in this announcement.

Following completion of the Transaction, accounting for the irrevocable undertakings to elect for the Dual Share Alternatives (as described below) and based on the number of CWC Shares and Liberty Global Shares in issue on 13 November 2015 (being the latest practicable date before the date of this announcement), CWC Shareholders will, after giving effect to the attribution, hold approximately:

- 11 per cent. of the total number of Liberty Global Class A Ordinary Shares;
- 11 per cent. of the total number of Liberty Global Class C Ordinary Shares;
- 7 per cent. of the total number of LiLAC Class A Ordinary Shares; and
- 7 per cent. of the total number of LiLAC Class C Ordinary Shares.

The Recommended Offer and the Dual Share Alternatives

Under the terms of the Transaction, which shall be subject to the Conditions and certain further terms set out in Appendix I to this announcement and to be set out in the Scheme Document, CWC Shareholders will be entitled to elect to receive one of the following:

- the Recommended Offer, for which the Independent CWC Directors who hold CWC Shares have irrevocably undertaken to elect, and which includes the LiLAC Alternative; or
- the First Dual Share Alternative, for which CHLLC has irrevocably undertaken to elect; or
- the Second Dual Share Alternative, for which Clearwater and Brendan Paddick have irrevocably undertaken to elect.

In addition to the Recommended Offer and the Dual Share Alternatives, Liberty Global and the CWC Directors have agreed that, upon completion of the Transaction, all CWC Shareholders (irrespective of whether they have validly elected to receive the Recommended Offer or one of the Dual Share Alternatives) on the register at 6 p.m. (London time) on the Business Day immediately prior to the Effective Date shall be entitled to receive the Special Dividend.

The CWC Directors, who have been so advised by Evercore, consider the financial terms of the Recommended Offer to be fair and reasonable and intend unanimously to recommend that CWC Shareholders elect to receive the Recommended Offer. The CWC Directors are not recommending

⁵ Or a value for CWC's entire issued and to be issued share capital of approximately £3.64 billion and an implied value per CWC Share of 81.91 pence based on volume weighted average prices of the relevant Liberty Global Shares over the 10-day period ending on and including 13 November 2015, being the last practicable date prior to the date of this announcement, and the Exchange Rate

either of the Dual Share Alternatives to CWC Shareholders. Further details regarding the CWC Directors' recommendations are set out in paragraph 4 of this announcement.

The Recommended Offer and the Dual Share Alternatives are described below. For the avoidance of doubt, CWC Shareholders will only be entitled to elect to receive one of the Recommended Offer, the First Dual Share Alternative or the Second Dual Share Alternative in respect of their entire holdings of CWC Shares. However, CWC Shareholders who validly elect to receive the Recommended Offer will also be entitled to elect for the LiLAC Alternative in respect of part of or their entire holding of CWC Shares. CWC Shareholders who do not elect for any of the Recommended Offer, the First Dual Share Alternative or the Second Dual Share Alternative shall automatically be entitled to receive the Recommended Offer (with no LiLAC Alternative) in respect of their CWC Shares.

Details and further terms of the Recommended Offer and the Dual Share Alternatives (including the action to take in order to make a valid election for one of them and, if relevant, the LiLAC Alternative, and the deadline for making such elections) will be set out in the Scheme Document.

The Recommended Offer

Under the Recommended Offer, which shall be subject to the Conditions and certain further terms set out in Appendix I to this announcement and to be set out in the Scheme Document, CWC Shareholders shall be entitled to receive, for each CWC Share:

- a number of New Liberty Global Class A Ordinary Shares as determined by the Exchange Ratio, such number not to be lower than 0.007921 and not to exceed 0.008301; and
- a number of New Liberty Global Class C Ordinary Shares as determined by the Exchange Ratio, such number not to be lower than 0.019391 and not to exceed 0.020321.

CWC Shareholders who validly elect to receive the Recommended Offer and who are on the register of members of CWC at 6 p.m. (London time) on the Business Day immediately prior to the Effective Date will also be entitled to receive the Special Dividend.

The maximum number of Liberty Global Ordinary Shares that Liberty Global will issue under the Recommended Offer is 23,914,687 New Liberty Global Class A Ordinary Shares and 58,547,554 New Liberty Global Class C Ordinary Shares.

The Recommended Offer will also include a LiLAC Alternative under which CWC Shareholders who elect to receive the Recommended Offer can also elect to receive New LiLAC Ordinary Shares up to their pro rata entitlement (against their holdings of CWC Shares) of the New Liberty Global Ordinary Shares to which they would be entitled under the Recommended Offer, subject to being scaled down as nearly as reasonably practicable pro rata to the size of such elections and elections for either of the Dual Share Alternatives. Further details of the LiLAC Alternative and the Dual Share Alternatives are set out below.

If the Exchange Ratio were calculated as at 13 November 2015 (being the last business day prior to the release of this announcement), under the Recommended Offer CWC Shareholders would be entitled to 0.008301 New Liberty Global Class A Ordinary Shares and 0.020321 New Liberty Global Class C Ordinary Shares for each CWC Share held by them.

As will be further described in the Scheme Document, as at the Exchange Ratio Calculation Time:

- if the Blended Liberty Share Price is lower than \$44.09, the Exchange Ratio will not change, such that, under the Recommended Offer, CWC Shareholders would be entitled to 0.008301 New Liberty Global Class A Ordinary Shares and 0.020321 New Liberty Global Class C Ordinary Shares, for each CWC Share held.

- if the Blended Liberty Share Price is greater than \$44.09 but not more than \$44.51, the Exchange Ratio will not change and, accordingly, if the Blended Liberty Share Price increases up to \$44.51 at the Exchange Ratio Calculation Time, CWC Shareholders who elect for the Recommended Offer will benefit from such increase. If the Blended Liberty Share Price is \$44.51 at the Exchange Ratio Calculation Time, the consideration under the Recommended Offer would represent 86.79 pence per CWC Share (based on the Exchange Rate), including the Special Dividend.
- if the Blended Liberty Share Price is greater than \$44.51 but not more than \$46.65, the Exchange Ratio will be calculated such that CWC Shareholders who elect for the Recommended Offer do not benefit from such increase over \$44.51 and, accordingly, if the Blended Liberty Share Price is greater than \$44.51 but not more than \$46.65 at the Exchange Ratio Calculation Time, the consideration under the Recommended Offer would represent 86.79 pence per CWC Share (based on the Exchange Rate), including the Special Dividend.
- if the Blended Liberty Share Price is greater than \$46.65, the Minimum Exchange Ratio (being the Exchange Ratio that will apply if the Blended Liberty Share Price is \$46.65 at the Exchange Ratio Calculation Time) will continue to apply and, accordingly, if the Blended Liberty Share Price is greater than \$46.65 at the Exchange Ratio Calculation Time, CWC Shareholders who elect for the Recommended Offer would benefit from such increase in the Blended Liberty Share Price above \$46.65.

The Exchange Ratio will be calculated and fixed as at the earlier to occur of the following two dates: (a) the Business Day falling seven days prior to the date of the Court Meeting (or, in the event that such date is not a Business Day, the Business Day immediately preceding such date) and, (b) the Business Day in the Exchange Ratio Calculation Period that immediately follows the end of a Relevant CWC Share Trading Period (such date, the “**Exchange Ratio Calculation Time**”).

Further details of how the Exchange Ratio will be finally determined will be included in the Scheme Document. The sterling amount realisable upon the sale of a New Liberty Global Share at the time such share is delivered to a holder of CWC Shares (or at any subsequent time) will depend upon both the market price of a Liberty Global Share and the relevant US dollar / sterling exchange rate at that time.

As a result of the variable Exchange Ratio referred to above, CWC Shareholders who validly elect to receive the Recommended Offer will not know the exact number of New Liberty Global Ordinary Shares which they will receive until such time as the Exchange Ratio is announced, which will be shortly after the Exchange Ratio Calculation Time

On the basis described above, the consideration under the Recommended Offer represents:

- an indicative value of 86.82 pence⁶ per CWC Share, including the Special Dividend;
- a premium of approximately 18 per cent⁷ to the Closing Price of 73.45 pence per CWC Share on 13 November 2015 (being the last practicable day prior to the date of this announcement);

⁶ Or an indicative value of 86.00 pence per CWC Share, including the Special Dividend, based on the closing price of the Liberty Global Ordinary Shares on 13 November 2015, being the last practicable date prior to the date of this announcement.

- a premium of approximately 50 per cent.⁸ to the Closing Price of 58.00 pence per CWC Share on 21 October 2015 (being the day immediately prior to the announcement of a possible offer by Liberty Global for CWC),

based on:

- a volume weighted average price of \$45.87 per Liberty Global Class A Ordinary Share over the 10-day period ending on and including 13 November 2015 (being the business day before the date of this announcement);
- a volume weighted average price of \$43.99 per Liberty Global Class C Ordinary Share over the 10-day period ending on and including 13 November 2015 (being the business day before the date of this announcement); and
- the Exchange Rate.

The Independent CWC Directors who hold CWC Shares have irrevocably undertaken to elect for the Recommended Offer.

LiLAC Alternative

As part of the Recommended Offer, Liberty will propose a LiLAC Alternative which will allow CWC Shareholders who are entitled to the Recommended Offer to elect to receive New LiLAC Ordinary Shares by reference to the LiLAC Exchange Ratio up to their pro rata entitlement (against their holdings of CWC Shares) of the New Liberty Global Ordinary Shares to which they would be entitled under the Recommended Offer. Any such election will be subject to being scaled down as nearly as reasonably practicable pro rata to the size of such elections for the LiLAC Alternative and the size of elections made for either of the Dual Share Alternatives.

If any such valid elections for the LiLAC Alternative are made, the entitlement to receive LiLAC Ordinary Shares under the Dual Share Alternatives will be scaled down as nearly as reasonably practicable pro rata to the size of such elections for the LiLAC Alternative and the size of elections made for either of the Dual Share Alternatives, such that those CWC Shareholders electing for the Dual Share Alternatives would receive fewer New LiLAC Ordinary Shares and a greater number of New Liberty Global Ordinary Shares, by reference to the LiLAC Exchange Ratio. The LiLAC Alternative will not be available to shareholders who elect for the First Dual Share Alternative or the Second Dual Share Alternative.

The maximum number of LiLAC Ordinary Shares that Liberty Global will issue under the LiLAC Alternative is 2,368,235 New LiLAC Class A Ordinary Shares and 5,802,464 New LiLAC Class C Ordinary Shares.

As a result of the LiLAC Alternative and the Dual Share Alternatives, the CWC Shareholders who validly elect to receive the Recommended Offer and make a valid election for the LiLAC Alternative (whether prior to or following the Exchange Ratio Calculation Time) will not know the exact number

⁷ Or a premium of 17 per cent. to the closing price of 73.45 pence per CWC Share on 13 November 2015 (being the last practicable date prior to the date of this announcement), based on the closing price of the Liberty Global Ordinary Shares on such date.

⁸ Or a premium of 48 per cent. to the closing price of 58.00 pence per CWC Share on 21 October 2015 (being the day immediately prior to the announcement of a possible offer by Liberty Global for CWC), based on the closing price of the Liberty Global Ordinary Shares on 13 November 2015 (being the last practicable date prior to the date of this announcement).

of New Liberty Global Ordinary Shares and New LiLAC Ordinary Shares they will receive until settlement of the Consideration under the Transaction.

CWC Shareholders who elect for the LiLAC Alternative should note that no fractions of New LiLAC Ordinary Shares will be allotted or issued to CWC Shareholders and, accordingly, a CWC Shareholder must hold a minimum of 1,217 CWC Shares in order to receive a New LiLAC Class A Ordinary Share, and a minimum of 497 CWC Shares in order to receive New LiLAC Class C Ordinary Share, in each case under the LiLAC Alternative.

The LiLAC Alternative will not affect the entitlement of CWC Shareholders who do not make an election under the LiLAC Alternative to receive New Liberty Global Ordinary Shares under the Recommended Offer.

Details and further terms of the LiLAC Alternative (including the action to take in order to make a valid election and the deadline for making such election) will be set out in the Scheme Document.

The First Dual Share Alternative

Under the First Dual Share Alternative, which shall be subject to the Conditions and certain further terms set out in Appendix I to this announcement and to be set out in the Scheme Document, CWC Shareholders shall be entitled to receive, for each CWC Share:

- 0.005593 New Liberty Global Class A Ordinary Shares;
- 0.013693 New Liberty Global Class C Ordinary Shares;
- 0.002343 New LiLAC Class A Ordinary Shares; and
- 0.005739 New LiLAC Class C Ordinary Shares,

subject to pro ration and adjustment as a result of valid elections being made by CWC Shareholders under the Recommended Offer for the LiLAC Alternative and the size of valid elections made for the First Dual Share Alternative as set out below.

CWC Shareholders who validly elect to receive the First Dual Share Alternative and who are on the register of members of CWC at 6 p.m. (London time) on the Business Day immediately prior to the Effective Date will also be entitled to receive the Special Dividend.

The maximum number of Liberty Global Shares that Liberty Global will issue under the First Dual Share Alternative is 3,216,545 New Liberty Global Class A Ordinary Shares, 7,874,693 New Liberty Global Class C Ordinary, 1,347,168 New LiLAC Class A Ordinary Shares and 3,300,726 New LiLAC Class C Ordinary Shares.

Accordingly, if valid elections for the First Dual Share Alternative are made by CWC Shareholders holding more than 13 per cent. of CWC's total issued share capital, the entitlement to receive Liberty Global Ordinary Shares and LiLAC Ordinary Shares under the First Dual Share Alternative will be scaled down as nearly as reasonably practicable pro rata to the holdings of CWC Shares of the CWC Shareholders who make such elections and any such amounts so scaled down will be replaced by pro rata entitlements to Liberty Global Ordinary Shares under the Recommended Offer (excluding the LiLAC Alternative).

Further, under the First Dual Share Alternative, the number of Liberty Global Ordinary Shares and LiLAC Ordinary Shares received for each CWC Share is subject to valid elections being made for the LiLAC Alternative. If such elections are made, then the number of New Liberty Global Class A Ordinary Shares and New Liberty Global Class C Ordinary Shares which CWC Shareholders who validly elect for the First Dual Share Alternative will receive will be increased, and the number of

New LiLAC Ordinary Shares issued will be decreased, in each case by reference to the LiLAC Exchange Ratio.

Assuming no valid elections were made for the LiLAC Alternative, the consideration under the First Dual Share Alternative represents:

- an indicative value of 79.13 pence⁹ per CWC Share, including the Special Dividend;
- a premium of approximately 8 per cent.¹⁰ to the Closing Price of 73.45 pence per CWC Share on 13 November 2015 (being the last practicable day prior to the date of this announcement); and
- a premium of approximately 36 per cent.¹¹ to the Closing Price of 58.00 pence per CWC Share on 21 October 2015 (being the day immediately prior to the announcement of a possible offer by Liberty Global for CWC),

based on:

- a volume weighted average price of \$45.87 per Liberty Global Class A Ordinary Share over the 10-day period ending on and including 13 November 2015 (being the last practicable date prior to the date of this announcement);
- a volume weighted average price of \$43.99 per Liberty Global Class C Ordinary Share over the 10-day period ending on and including 13 November 2015 (being the last practicable date prior to the date of this announcement);
- a volume weighted average price of \$37.16 per LiLAC Class A Ordinary Share over the 10-day period ending on and including 13 November 2015 (being the last practicable date prior to the date of this announcement);
- a volume weighted average price of \$36.90 per LiLAC Class C Ordinary Share over the 10-day period ending on and including 13 November 2015 (being the last practicable date prior to the date of this announcement); and
- the Exchange Rate.

CHLLC, which holds 13 per cent. of CWC's total issued share capital, has irrevocably undertaken to elect to receive the First Dual Share Alternative.

The Second Dual Share Alternative

Under the Second Dual Share Alternative, which shall be subject to the Conditions and certain further terms set out in Appendix I to this announcement and to be set out in the Scheme Document, CWC Shareholders shall be entitled to receive, for each CWC Share:

⁹ Or an indicative value of 78.14 pence per CWC Share, including the Special Dividend, based on the closing price of the Liberty Global Ordinary Shares and LiLAC Ordinary Shares on 13 November 2015, being the last practicable date prior to the date of this announcement.

¹⁰ Or a premium of 6 per cent. to the closing price of 73.45 pence per CWC Share on 13 November 2015 (being the last practicable date prior to the date of this announcement), based on the closing price of the Liberty Global Ordinary Shares and LiLAC Ordinary Shares on such date.

¹¹ Or a premium of 35 per cent. to the closing price of 58.00 pence per CWC Share on 21 October 2015 (being the day immediately prior to the announcement of a possible offer by Liberty Global for CWC), based on the closing price of the Liberty Global Ordinary Shares and LiLAC Ordinary Shares on 13 November 2015 (being the last practicable date prior to the date of this announcement).

- a number of New Liberty Global Class A Ordinary Shares as determined by the Alternative Exchange Ratio, such number not to be lower than 0.004601 and not to exceed 0.005716;
- a number of New Liberty Global Class C Ordinary Shares as determined by the Alternative Exchange Ratio, such number not to be lower than 0.011265 and not to exceed 0.013993.
- 0.002343 New LiLAC Class A Ordinary Shares; and
- 0.005739 New LiLAC Class C Ordinary Shares,

subject to pro ration and adjustment as a result of valid elections being made by CWC Shareholders under the Recommended Offer for the LiLAC Alternative and the size of valid elections made for the Second Dual Share Alternative as set out below.

CWC Shareholders who validly elect to receive the Second Dual Share Alternative and who are on the register of members of CWC at 6 p.m. (London time) on the Business Day immediately prior to the Effective Date will also be entitled to receive the Special Dividend.

The maximum number of Liberty Global Shares that Liberty Global will issue under the Second Dual Share Alternative is 5,615,171 New Liberty Global Class A Ordinary Shares, 13,746,973 New Liberty Global Class C Ordinary, 2,301,356 New LiLAC Class A Ordinary Shares and 5,638,602 New LiLAC Class C Ordinary Shares.

Accordingly, if valid elections for the Second Dual Share Alternative are made from CWC Shareholders holding more than 22 per cent. of CWC's total issued share capital, the entitlement to receive Liberty Global Ordinary Shares and LiLAC Ordinary Shares under the Second Dual Share Alternative will be scaled down as nearly as reasonably practicable pro rata to the holdings of CWC Shares of the CWC Shareholders who make such elections and any such amounts so scaled down will be replaced by pro rata entitlements to Liberty Global Ordinary Shares under the Recommended Offer (excluding the LiLAC Alternative).

Further, under the Second Dual Share Alternative, the number of Liberty Global Ordinary Shares and LiLAC Ordinary Shares received for each CWC Share is subject to valid elections being made for the LiLAC Alternative. If such elections are made, then the number of New Liberty Global Ordinary Shares which CWC Shareholders who validly elect for the Second Dual Share Alternative will receive will be increased, and the number of New LiLAC Ordinary Shares issued will be decreased, in each case by reference to the LiLAC Exchange Ratio.

Assuming no valid elections were made for the LiLAC Alternative, if the Alternative Exchange Ratio were calculated as at 13 November 2015 (being the last business day prior to the release of this announcement), under the Second Dual Share Alternative CWC Shareholders would be entitled to 0.004601 New Liberty Global Class A Ordinary Shares and 0.011265 New Liberty Global Class C Ordinary Shares for each CWC Share held.

As will be further described in the Scheme Document, at the Exchange Ratio Calculation Time:

- if the Blended Liberty Share Price is lower than \$44.09, the Alternative Exchange Ratio will not change, such that, under the Second Dual Share Alternative, CWC Shareholders would be entitled to 0.004601 New Liberty Global Class A Ordinary Shares and 0.011265 New Liberty Global Class C Ordinary Shares, for each CWC Share held.
- if the Blended Liberty Share Price is greater than \$44.09 but not more than \$44.51, the Alternative Exchange Ratio will not change and, accordingly, if the Blended Liberty Share Price increases up to \$44.51 at the Exchange Ratio Calculation Time, CWC Shareholders who elect for the Second Dual Share Alternative will benefit from such increase. If the

Blended Liberty Share Price is \$44.51 at the Exchange Ratio Calculation Time, the consideration under the Second Dual Share Alternative would represent 69.10 pence per CWC Share (based on the Exchange Rate and the 10-day volume weighted average price of a LiLAC Class A Ordinary Share and a LiLAC Class C Ordinary Share over the 10-day period ending on and including 13 November 2015 set out below), including the Special Dividend.

- if the Blended Liberty Share Price is greater than \$44.51 but not more than \$46.65, the Alternative Exchange Ratio will be calculated so as to give CWC Shareholders who elect for the Second Dual Share Alternative the benefit of such increase in the Blended Liberty Share Price over \$44.51 and, accordingly, if the Blended Liberty Share Price is \$46.65 at the Exchange Ratio Calculation Time, the consideration under the Second Dual Share Alternative would represent 83.11 pence per CWC Share (based on the Exchange Rate and the 10-day volume weighted average price of a LiLAC Class A Ordinary Share and a LiLAC Class C Ordinary Share over the 10-day period ending on and including 13 November 2015 set out below), including the Special Dividend.
- if the Blended Liberty Share Price is greater than \$46.65, the Maximum Alternative Exchange Ratio (being the Alternative Exchange Ratio that will apply if the Blended Liberty Share Price is \$46.65 at the Exchange Ratio Calculation Time) will apply and, accordingly, if the Blended Liberty Share Price is greater than \$46.65 at the Exchange Ratio Calculation Time, CWC Shareholders who elect for the Second Dual Share Alternative would benefit from such increase in the Blended Liberty Share Price above \$46.65 on the same basis as CWC Shareholders entitled to receive the Recommended Offer.

The Alternative Exchange Ratio shall be calculated and fixed as at the Exchange Ratio Calculation Time.

Further details regarding the Alternative Exchange Ratio will be included in the Scheme Document.

On the basis described above, the consideration under the Second Dual Share Alternative (including the Special Dividend) represents:

- an indicative value of 69.12 pence¹² per CWC Share;
- a discount of approximately 6 per cent.¹³ to the Closing Price of 73.45 pence per CWC Share on 13 November 2015 (being the last practicable date prior to the date of this announcement); and
- a premium of approximately 19 per cent.¹⁴ to the Closing Price of 58.00 pence per CWC Share on 21 October 2015 (being the day immediately prior to the announcement of a possible offer by Liberty Global for CWC),

¹² Or an indicative value of 68.22 pence per CWC Share, including the Special Dividend, based on the closing price of the Liberty Global Ordinary Shares and LiLAC Ordinary Shares on 13 November 2015, being the last practicable date prior to the date of this announcement.

¹³ Or a discount of 7 per cent. to the closing price of 73.45 pence per CWC Share on 13 November 2015 (being the last practicable date prior to the date of this announcement), based on the closing price of the Liberty Global Ordinary Shares and LiLAC Ordinary Shares on such date.

¹⁴ Or a premium of 18 per cent. to the closing price of 58.00 pence per CWC Share on 21 October 2015 (being the day immediately prior to the announcement of a possible offer by Liberty Global for CWC), based on the closing price of the Liberty Global Ordinary Shares and LiLAC Ordinary Shares on 13 November 2015 (being the last practicable date prior to the date of this announcement).

based on:

- a volume weighted average price of \$45.87 per Liberty Global Class A Ordinary Share over the 10-day period ending on and including 13 November 2015 (being the last practicable date prior to the date of this announcement);
- a volume weighted average price of \$43.99 per Liberty Global Class C Ordinary Share over the 10-day period ending on and including 13 November 2015 (being the last practicable date prior to the date of this announcement);
- a volume weighted average price of \$37.16 per LiLAC Class A Ordinary Share over the 10-day period ending on and including 13 November 2015 (being the last practicable date prior to the date of this announcement);
- a volume weighted average price of \$36.90 per LiLAC Class C Ordinary Share over the 10-day period ending on and including 13 November 2015 (being the last practicable date prior to the date of this announcement); and
- the Exchange Rate.

Clearwater and Brendan Paddick, who, taken together, hold 22 per cent. of CWC's total issued share capital, have irrevocably undertaken to elect for the Second Dual Share Alternative.

New Liberty Global Ordinary Shares and New LiLAC Ordinary Shares to be issued

The total number of New Liberty Global Ordinary Shares and New LiLAC Ordinary Shares to be issued under the terms of the Transaction will be limited to 31,651,616 New Liberty Global Class A Ordinary Shares, 77,488,978 New Liberty Global Class C Ordinary Shares, 3,648,524 New LiLAC Class A Ordinary Shares and 8,939,328 New LiLAC Class C Ordinary Shares. Elections for the LiLAC Alternative and the Dual Share Alternatives will not change the total number of New Liberty Global Ordinary Shares or New LiLAC Ordinary Shares to be issued under the terms of the Transaction.

To the extent that elections under the LiLAC Alternative and either of the Dual Share Alternatives cannot be satisfied in full, they will be scaled down as nearly as reasonably practicable pro rata to the size of such elections as set out above. As a result, CWC Shareholders who make a valid election under the LiLAC Alternative or either of the Dual Share Alternatives (whether prior to or following the Exchange Ratio Calculation Time) will not know the exact number of New Liberty Global Ordinary Shares and New LiLAC Ordinary Shares they will receive pursuant to the Transaction until settlement of the Consideration for the Transaction, although an announcement will be made of the approximate extent to which elections under the LiLAC Alternative and the Dual Share Alternatives will be satisfied.

General

Liberty expects the Effective Date to occur in the second quarter of 2016, subject to the satisfaction or waiver of the Conditions and certain further terms set out in Appendix I to this announcement and to be set out in the Scheme Document.

The New Liberty Global Class A Ordinary Shares, the New Liberty Global Class C Ordinary Shares, the New LiLAC Class A Ordinary Shares and New LiLAC Class C Ordinary Shares will be issued credited as fully paid and will rank pari passu in all respects with the Liberty Global Ordinary Shares and the LiLAC Ordinary Shares in issue at the time the New Liberty Global Class A Ordinary Shares, New Liberty Global Class C Ordinary Shares, New LiLAC Class A Ordinary Shares and New LiLAC Class C Ordinary Shares are issued pursuant to the Transaction, including the right to receive and

retain dividends and other distributions declared, made or paid by reference to a record date falling after the Effective Date.

CWC Shares acquired under the Transaction will be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid on or after the Effective Date.

3. Background to and reasons for the Transaction

The Transaction represents an important strategic milestone for Liberty Global, and in particular Liberty Global's businesses in Latin America and the Caribbean, which are attributed to the LiLAC Group. The combination of CWC with Liberty Global's LiLAC Group assets, VTR in Chile and Liberty Cablevision in Puerto Rico, will create the leading consumer and B2B communications provider across the Latin America and Caribbean region, with strong market positions, triple- and quadruple-play and B2B upside, underpinned by high-quality broadband, terrestrial and submarine networks.

Liberty Global expects the Transaction will enhance the long-term equity value for both the Liberty Global Group and LiLAC Group Shareholders for the following reasons:

- Combines high-growth assets in the Latin America and the Caribbean region to form the leading consumer and B2B communications provider, with 10 million video, broadband, fixed and mobile telephony subscription services. This new combination would have generated estimated consolidated revenue of over \$3.5 billion and estimated consolidated OCF of \$1.4 billion for the twelve months ended 30 September 2015. The combined business is expected to deliver low double-digit rebased OCF growth over the medium term.
- Adds a powerful B2B Latin American and Caribbean platform to LiLAC, as CWC's comprehensive product portfolio and extensive terrestrial and submarine network will position LiLAC to capitalise on the growth in the business market throughout the region.
- Enables continued network investment and product innovation for the benefit of consumers and business customers alike, taking advantage of efficiencies driven from combined scale, and leveraging both companies' complementary experience in product development and customer-centricity.
- Offers attractive organic growth opportunities in broadband, pay TV and mobile data; Liberty Global expects to capitalise on the market-leading brands, superior fixed and mobile networks and product leadership of the new combination to take advantage of underlying untapped demand for broadband, pay TV and mobile products and drive customer take-up.
- Provides significant synergy opportunities; together with the extensive integration that is currently ongoing by CWC with respect to its recent acquisition of Columbus supported by Liberty Global's proven integration experience, Liberty Global believes there are incremental financial benefits over and above those publicly quantified (\$125 million of cost synergies) by CWC, as well as additional synergy opportunities from combining CWC with the LiLAC Group.

- Creates leading regional platform to capitalise on further M&A opportunities; Liberty Global believes that the combined businesses of the LiLAC Group and CWC will be well-positioned to exploit the fragmented telecom and pay television landscape.

CWC Background

CWC is one of the leading telecoms operators in Panama and the Caribbean, with a leading proposition in 9 out of the 16 broadband markets, and 10 out of the 16 mobile markets in which it operates. The markets in which CWC operates are structurally attractive underpinned by strong macro fundamentals providing for an attractive growth opportunity.

Synergy Opportunity

The ongoing integration between CWC and Columbus, as set out in CWC's announcement dated 5 November 2015, is expected to generate \$125 million of run-rate cost savings and \$145 million of one-time capital expenditure synergies by 31 March 2018, as well as material revenue synergies through cross-selling, improvements in the video offering and network quality, and enhancements in the B2B offering. Further details of the synergies are set out in Appendix V to this announcement.

Liberty Global believes that there will be further revenue, cost savings and efficiency opportunities as a result of CWC being part of the Liberty Global platform. Areas of opportunity include savings related to elimination of public company expenses, further corporate and administrative rationalisation of existing LiLAC Group operations with those of CWC, leveraging the combined scale in areas such as content, procurement and product development, and capitalising on the strength of CWC's terrestrial and submarine network assets and B2B expertise and product portfolio to further drive savings and revenue opportunities in the combined operations.

If the transaction closes, utilisation of CWC's US and UK deferred tax assets would be restricted and Liberty Global believes that material realisation of the benefits of those assets would be unlikely.

4. Recommendation by CWC Directors

The CWC Directors have carefully considered the Acquisition and the terms of the Acquisition, and have received financial advice from Evercore in relation to the Acquisition (including in respect of each of the Recommended Offer, the First Dual Share Alternative and the Second Dual Share Alternative). In providing its advice to the CWC Directors, Evercore has taken into account the commercial assessments of the CWC Directors.

The Non-independent CWC Directors are not considered by the CWC Board to be independent directors of CWC as they have been nominated to the CWC Board, following the Columbus Acquisition, by certain of, or, in the case of Brendan Paddick, as one of, the principal vendors of Columbus. The Non-independent CWC Directors include Thad York, who was nominated for appointment by CHLLC, a company ultimately controlled by John Malone.

Clearwater (which is ultimately controlled by John Riskey), CHLLC (which is ultimately controlled by John Malone) and Brendan Paddick have each also entered into lock-up and put option agreements with CWC pursuant to which, inter alia, the CWC shares held by Clearwater, CHLLC and Brendan Paddick are subject to certain lock-up arrangements, Clearwater, CHLLC and Brendan Paddick have rights to put certain of those CWC Shares on to CWC at certain times and all of the CWC Shares held by them are to be voted at all shareholder meetings of CWC in line with the recommendation of the

Board of Directors of CWC (subject to certain exceptions, including a resolution to implement a scheme of arrangement in respect of a takeover offer made for CWC that has been recommended by the Board of Directors of CWC).

Accordingly, as part of the CWC Directors' review of the Acquisition and in order to ensure an appropriately independent consideration of the Acquisition in the interests of all CWC Shareholders, the Independent CWC Directors have also met separately from the Non-independent CWC Directors to consider the Acquisition and the terms of the Acquisition, and to determine whether to recommend the Acquisition to CWC Shareholders.

The CWC Directors, who have been so advised by Evercore, consider the financial terms of the Recommended Offer to be fair and reasonable. In providing its advice to the CWC Directors, Evercore has taken into account the commercial assessments of the CWC Directors.

Accordingly, the CWC Directors intend unanimously to recommend that CWC Shareholders vote in favour of the Scheme at the Court Meeting and the resolution(s) relating to the Transaction to be proposed at the CWC General Meeting and to elect to receive the Recommended Offer.

The CWC Directors (other than the Non-independent CWC Directors) have also irrevocably undertaken to elect to receive the Recommended Offer in respect of their own beneficial holdings of, in total, 16,108,842 CWC Shares, representing, in aggregate, approximately 0.37 per cent. of the ordinary share capital of CWC in issue on 13 November 2015 (being the latest practicable date prior to the date of this announcement).

CHLLC has irrevocably undertaken to elect to receive the First Dual Share Alternative in respect of its beneficial holding of 575,096,759 CWC Shares (representing approximately 13.2 per cent. of the ordinary share capital of CWC in issue on 13 November 2015 (being the latest practicable date prior to the date of this announcement)) and Clearwater and Brendan Paddick have each irrevocably undertaken to elect to receive the Second Dual Share Alternative in respect of their own beneficial holdings of, in total, 982,432,846 CWC Shares (representing, in aggregate, approximately 22.5 per cent. of the ordinary share capital of CWC in issue on the same date).

Further details of these irrevocable undertakings are set out in Appendix III to this announcement. The CWC Directors are not recommending the First Dual Share Alternative or the Second Dual Share Alternative to CWC Shareholders. In particular, CWC Shareholders should consider whether LiLAC Class A Ordinary Shares and LiLAC Class C Ordinary Shares are a suitable investment for them in light of their own personal circumstances and investment objectives and are strongly recommended to seek their own independent financial, tax and legal advice before deciding whether to elect for either the First Dual Share Alternative or the Second Dual Share Alternative.

CHLLC, Clearwater and Brendan Paddick have determined that, in light of their own personal circumstances and investment objectives, LiLAC Class A Ordinary Shares and LiLAC Class C Ordinary Shares are a suitable investment for them and so have undertaken to elect to receive the First Dual Share Alternative (in the case of CHLLC) and the Second Dual Share Alternative (in the case of Clearwater and Brendan Paddick).

Any decision to elect for the First Dual Share Alternative or the Second Dual Share Alternative should be based on a full consideration of this announcement and the Scheme Document (when published).

5. Background to and reasons for the CWC Directors' recommendation

CWC today is a leading quad play operator in the Caribbean and Latin American markets. In the recent past, CWC established an exciting new growth strategy underpinned by identified target actions. These included:

- new investment capex initiatives such as Project Marlin to accelerate network improvements and drive improved customer service levels
- the creation of a new regional hub in Miami to emphasise the focus on its core markets
- divesting assets such as Monaco, which were not consistent with the targeted regional focus, at attractive valuations
- the acquisition of Columbus which brought additional in-region critical mass, talented new employees, an exciting product set and very significant cost and revenue synergies

The resulting business has moved to swiftly integrate Columbus and deliver the synergy opportunity from that transaction. CWC recently revised its cost synergy forecast upwards to \$125m in its recent interim statements. Further details of those cost synergies are set out in Appendix V to this announcement.

CWC has created significant value for shareholders over recent years. The market capitalisation of CWC has grown from approximately £1.1bn on 21 October 2013 to approximately £2.5bn on 21 October 2015, the day before Liberty Global's interest in CWC became public. The total shareholder return over the last 2 years leading up to this date was approximately 46 per cent. in comparison with approximately 16 per cent. for the FTSE 250 over the same period. Incorporating the headline recommended offer price, CWC's share price has grown to 86.82 pence, implying a total shareholder return of approximately 119 per cent. since 21 October 2013.

The Board of CWC is confident that the strategy and leadership of CWC would continue to deliver value for CWC shareholders in the years to come, both from the Columbus acquisition and the opportunity to grow further in Latin American markets which the Company is well placed to target. However, the Board believes that the Recommended Offer represents an attractive premium and accelerates the delivery to its shareholders of CWC's future value potential, as well as providing an exciting future platform for CWC employees.

6. Recommendation by Liberty Global Directors

As further described in paragraph 19 of this announcement, the issuance of New Liberty Global Ordinary Shares and New LiLAC Ordinary Shares to CWC Shareholders requires approval by Liberty Global Shareholders under applicable NASDAQ listing rules. In addition, the acquisition by Liberty Global of CWC Shares from CHLLC, an entity controlled by John Malone, who is Liberty Global's Chairman, constitutes a substantial property transaction pursuant to the Companies Act and therefore also requires approval by Liberty Global Shareholders.

The Liberty Global Directors consider the issuance of Liberty Global Shares, and the completion of the substantial property transaction, in connection with the Transaction, to be most likely to promote the success of the company for the benefit of the Liberty Global Shareholders as a whole and intend to recommend unanimously (other than in the case of John Malone, who will not vote on the recommendation due to his significant shareholding in CWC) that Liberty Global Shareholders vote in favour of the Liberty Global Resolutions to be proposed at the Liberty Global General Meeting which will be convened in connection with the Transaction.

7. Conditions

The Acquisition is subject to the Conditions and further terms set out in Appendix I and to be set out in the Scheme Document.

The Conditions in Appendix I to this announcement provide that the Acquisition is conditional on, among other things: (i) the approval by the requisite majorities of CWC Shareholders at the CWC Meetings; (ii) the sanction of the Scheme by the Court and the registration of the Scheme Court Order with the Registrar of Companies; (iii) the Scheme becoming effective no later than the Long Stop Date; (iv) approval by the Liberty Global Shareholders of the Liberty Global Resolutions at the Liberty Global General Meeting; (v) US HSR clearance; (vi) completion of the CWC US Carve-Out or, to the extent required by law or regulation, FCC Regulatory Approval having been obtained (as to which further information is provided in paragraph 8 below); (vii) approval for listing of the New Liberty Global Ordinary Shares and New LiLAC Ordinary Shares on NASDAQ; and (viii) prior to the CWC General Meeting, approval of the Prospectus by the UKLA.

The Acquisition is also conditional on the receipt of additional regulatory approvals in a number of jurisdictions, namely the Bahamas, Barbados, the Cayman Islands, Jamaica, Panama and Trinidad and Tobago.

8. CWC US Carve-Out

To enable completion of the Acquisition as soon as possible, the CWC FCC Business will be transferred out of the CWC Group in accordance with, the arrangements summarised below.

The CWC FCC Business will be transferred into a newly incorporated CWC Group company, Newco, which will then be transferred, pursuant to the CWC US Carve-out SPA, to a special purpose vehicle New Holdco owned by shareholders then holding a majority of the issued share capital of CWC (“**New Holdco Shareholders**”).

With effect from completion of the transfer of Newco, Newco will delegate most day-to-day management functions in respect of the CWC FCC Business to certain members of the CWC Group pursuant to a management services agreement (the “**MSA**”), but will preserve ultimate responsibility and oversight for its operations and compliance with the CWC FCC Licences.

Under the terms of the MSA, CWC Inc. will indemnify Newco and its directors and shareholder (i.e. Newco Holdco) against losses arising as a result a breach of the MSA by CWC Inc., CWC, or another member of the CWC Group. New Holdco will indemnify the directors and shareholders of New Holdco for losses they may suffer as a result of acts or omissions of Newco and, in respect of the New Holdco Shareholders, also for losses arising out of holding shares in New Holdco (and thereby participating in the CWC US Carve-Out). In addition, CWC Ltd will indemnify certain New Holdco

Shareholders directly for losses arising out of their holding shares in New Holdco (and thereby participating in the CWC US Carve-out).

Upon receipt of all FCC Regulatory Approval in respect of the CWC FCC Licences, Newco will be transferred back into the CWC Group (or the Combined Group, in the event such FCC Regulatory Approval is obtained after completion of the Acquisition).

FCC Regulatory Approval would be required in respect of the Transaction in the event that the CWC US Carve-Out is not completed or either the CWC US Carve-Out or Columbus US Carve-Out does not remain in effect so that any of the FCC Licences are held by a member of the CWC Group prior to completion of the Transaction. In such circumstances, Liberty Global may seek to invoke the FCC Condition if FCC Regulatory Approval is not received by the Long Stop Date (being, in this case, 16 December 2016).

Tracking shares are intended by the issuing company to reflect or “track” the economic performance of a particular business or “group,” rather than the economic performance of the company as a whole. The respective groups do not represent a separate legal entity, rather each group represents those businesses, assets and liabilities that have been attributed to that group.

Information relating to the Liberty Global Group

The businesses comprising the Liberty Global Group include the leading cable operators in many of the jurisdictions in which Liberty Global operates, including the UK, the Netherlands, Germany, Switzerland and Belgium. As of 30 September 2015, the Liberty Global Group provided its 26 million unique customers with 53 million subscription services across a footprint of 49 million homes passed in Europe. On a product level, the subscriber base for the Liberty Global Group consisted of

23 million video, 17 million broadband internet and 14 million telephony subscriptions. In addition, the Liberty Global Group provides mobile services to 4.6 million mobile subscribers in Europe.

The current market capitalisation of the Liberty Global Group is approximately \$38 billion, and it has an enterprise value of approximately \$81 billion.

Information relating to the LiLAC Group

The LiLAC Group operates the largest cable businesses in terms of the number of subscribers in Chile, through wholly-owned VTR, and in Puerto Rico, through 60%-owned Liberty Cablevision. As of 30 September 2015, the LiLAC Group provided a total of 3.5 million subscription services to 1.7 million unique customers across advanced broadband cable networks passing more than 4 million homes in Chile and Puerto Rico. With strong market shares in each country across video, broadband internet and fixed-line telephony, the LiLAC Group delivered services consisting of 1.3 million video, 1.3 million broadband internet and 0.9 million telephony subscriptions at 30 September 2015. In addition to Liberty Global's triple-play business, VTR provided mobile voice and data services to 134,000 subscribers at the end of Q3 2015.

Both VTR and Liberty Cablevision have experienced strong financial and operational performance over the last several years. More specifically, in fiscal year 2014, the LiLAC Group produced \$1.2 billion (4% rebased growth) and \$477 million (16% rebased growth) in revenue and OCF, respectively, and added 130,000 RGUs and 39,000 mobile subscribers during the year. The momentum has carried over into the first nine months of 2015, as the LiLAC Group has grown revenue and OCF on a rebased basis by 6% and 10%, respectively, as compared to the corresponding prior year period. Additionally, the LiLAC Group has expanded its fixed subscriber base through the organic addition of 102,000 and 24,000 fixed subscribers for the 2015 year-to-date and Q3 periods, respectively, as well as through the completion of the acquisition of Choice in Puerto Rico in June 2015, which added 156,000 RGUs and completed our cable consolidation on the island.

Further information about Liberty Global will be included in the Scheme Document.

10. Information relating to CWC

CWC is a leading provider of telecommunications based services, including mobile, high-speed broadband, traditional and IP-based voice services, and advanced digital video services, as well as wholesale broadband capacity and managed IT services to consumers, businesses, telecommunications carriers and governments in the Caribbean, Latin America and Seychelles. CWC, which is headquartered in London and has a regional operational hub in Miami, Florida, acquired Columbus on 31 March 2015, forming a leading, regionally-focused, integrated telecommunications company capable of delivering quad-play services to residential customers and advanced carrier-grade broadband and managed IT service to corporate and government customers. With over 7,000 employees, CWC is divided into three main divisions: Consumer, Business Solutions and Wholesale Networks.

Consumer

CWC's Consumer division provides communications and content services to individual consumers and residential customers through a long-established market presence and brands in 18 markets in the Caribbean, Panama and the Seychelles. The Columbus Acquisition is expected to transform CWC into a premium "quad-play" operator with capability in advanced video, high-speed broadband, IP telephony and data-rich mobile services.

Business Solutions

CWC's Business Solutions division focuses on sales to small, medium and international enterprises and governments in 27 markets. The main products and services offered to business and government customers include voice (fixed and mobile), broadband, enterprise-grade connectivity, data centre, hosting and managed solutions, as well as IT solutions. The basis of CWC's products and services provided to business and government customers is its ownership of proprietary fibre networks, including "last mile" links to customers, metro fibre rings and international loops that enable CWC to deliver redundant, end-to-end connectivity.

Wholesale Networks

CWC's Wholesale Networks division sells connectivity and wholesale solutions to carriers and enterprises in 42 "on-net" countries throughout the Latin American and Caribbean region, underpinned by more than 42,000 kilometres of subsea and terrestrial fibre optic cables. Its networks, which provide for the transit of growing traffic across the region and to the high-demand destination of the United States, have been increased by 6,000 kilometres following the recent completion of the commissioning of the Pacific Caribbean Cable System, a cable system in which CWC is a founder consortium member. In addition, CWC provides resiliency and redundancy routing to other carriers and providers that operate or lease infrastructure separately.

For the financial year ended 31 March 2015, CWC generated revenue of \$1,753 million, representing an increase of 4 per cent. from the previous financial year, and EBITDA of \$585 million, representing a 7 per cent. increase from the financial year ending 31 March 2014. As at 31 March 2015, CWC had total assets of \$7,037 million.

Further information about CWC will be included in the Scheme Document.

11. Management and employees

Liberty Global attaches great importance to the skills and experience of the existing management and employees of the CWC Group. The Combined Group will augment the capabilities of both Liberty and CWC and will offer significant opportunities for employees in a business of greater size and scope and will incorporate the skills and talents present in both companies.

Liberty Global has given assurances to the CWC Directors that, upon and following completion of the Transaction, it intends to fully safeguard the existing employment and pension rights of all of the CWC Group's management and employees.

Liberty Global is supportive of the ongoing headcount reduction plan introduced by the CWC Group following the Columbus Acquisition and pursuant to which there has been a rationalisation of overlapping headcount in back office, sales and marketing and customer service roles. Liberty Global expects to complete the implementation of this existing plan and may consider a limited number of additional headcount reductions at a management level.

12. Financing arrangements

Liberty Global has arranged for the following financing arrangements in connection with the Acquisition: (i) an interim credit agreement among LGE Coral Holdco Limited (“**Finco**”) and The Bank of Nova Scotia, as agent, and the other lenders party thereto (the “**Interim Facility Agreement**”), providing for a new term loan to be made available to Finco (the “**Interim Term Loan**”) in a principal amount equal to £140 million for purposes of financing, indirectly, the special dividend payable to CWC Shareholders pursuant to the Transaction; and (ii) a commitment letter among Finco and certain underwriters providing for new senior secured credit facilities (the “**New Facilities**”), consisting of:

- a new term loan B1 to be made available to Sable International Finance Limited (“**Sable**”) and CWC US Co-Borrower, LLC (“**CWC Co-Borrower**”) in an amount equal to \$440 million (the “**New Term Loan B1**”), for purposes of refinancing the existing \$400 million 8.75% senior secured notes due 2020 issued by Sable (the “**2020 Notes**”) and paying related fees, costs, expenses and other amounts in connection with the Acquisition and the New Facilities (to the extent Sable elects to enter into the New Facilities and draw the New Term Loan B1);
- a new term loan B2 to be made available to Sable and CWC Co-Borrower in an amount equal to \$360 million (the “**New Term Loan B2**”), for purposes of financing the special dividend payable to CWC Shareholders pursuant to the Transaction (to the extent that the Interim Term Loan has not been drawn for this purpose), and paying related fees, costs, expenses and other amounts in connection with the Acquisition and the New Facilities (to the extent Sable elects to enter into the New Facilities and draw the New Term Loan B2);
- new revolving credit facilities to be made available to Sable and CWC Co-Borrower in an aggregate principal amount equal to \$570 million (the “**New Revolving Credit Facilities**”), for purposes of refinancing the existing revolving credit facilities entered into by Sable, CWC and certain other subsidiaries of CWC and paying related fees, costs, expenses and other amounts in connection with the Acquisition and the New Facilities (to the extent Sable elects to enter into the New Facilities and draw the New Revolving Credit Facilities); and
- a new senior unsecured bridge facility to be made available to Sable in an aggregate principal amount equal to \$790 million (the “**New Senior Unsecured Bridge Facility**”), for purposes of financing any Change of Control Offer (as defined below) and paying related fees (including the related change of control premium), costs and expenses (to the extent Sable elects to enter into the New Facilities and draw the New Senior Unsecured Bridge Facility).

In addition to the Interim Facility and the New Facilities described above, Liberty Global intends to use \$100 million of the LiLAC Group cash to fund certain fees and expenses to be paid in connection with the Interim Facility Agreement, the New Facilities and the Consent Solicitation (as defined below).

Goldman Sachs International, financial adviser to Liberty Global, is satisfied that sufficient resources are available to Liberty Global to satisfy in full the cash consideration payable to CWC Shareholders pursuant to the Transaction, which consists of payment of the Special Dividend to CWC Shareholders.

In addition to arranging for the Interim Facility Agreement and the New Facilities, Sable intends to launch a consent solicitation (the “**Consent Solicitation**”) with respect to its \$750 million 6.875% senior notes due 2022 (the “**2022 Notes**”). In the Consent Solicitation, Sable will seek consent from holders of the 2022 Notes (i) to waive the provisions of the indenture governing the 2022 Notes that require Sable to offer to purchase (the “**Change of Control Offer**”) any or all of the 2022 Notes at 101% of the principal amount thereof as a result of the consummation of the Transaction and (ii) to make certain amendments to the covenants and other provisions of the indenture governing the 2022 Notes. In the event that the Consent Solicitation is successful, then the New Unsecured Bridge Facility is expected to be cancelled and terminated in full. In the event that the Consent Solicitation is unsuccessful, then the New Unsecured Bridge Facility is expected to remain in place and be available to Sable to finance the purchase of any 2022 Notes that are tendered in the Change of Control Offer.

Following the consummation of the Transaction, the target leverage ratio of the CWC Group, taking into account the New Facilities and potential future financing transactions, is expected to be between 4.0x and 5.0x proportionate net debt to proportionate EBITDA. Pro forma for the Transaction, the nominal value of CWC’s consolidated net debt at 30 September 2015 will increase from \$2.9 billion to \$3.2 billion, and its proportionate net debt will increase from \$2.8 billion to \$3.1 billion, after giving effect to (i) \$800 million of new term loans, (ii) a \$31 million repayment of Sable’s revolving credit facility and (iii) the repayment of Sable’s \$400 million senior secured notes due 2020. Using CWC’s pro forma consolidated net debt of \$3.2 billion at 30 September 2015 and CWC’s consolidated pro forma for Columbus EBITDA of \$996 million (including unrealised consolidated synergies of \$117 million) for the twelve months ended 30 September 2015, the consolidated leverage ratio would have been 3.3x. Using CWC’s pro forma proportionate net debt of \$3.1 billion at 30 September 2015 and CWC’s proportionate pro forma for Columbus EBITDA of \$766 million (including unrealised proportionate synergies of \$98 million) for the twelve months ended 30 September 2015, the proportionate leverage ratio would have been 4.1x.

Further information on the financing of the Transaction will be set out in the Scheme Document.

Liberty Global Ordinary Shares are intended to reflect or “track” the separate economic performance of all of Liberty Global’s other operations. The Liberty Global Ordinary Shares do not represent a separate legal entity, rather they represent those businesses, assets and liabilities that have not been attributed to the LiLAC Group, including Virgin Media, Unitymedia, UPC Holding BV, Telenet and Ziggo Group Holding.

Following the completion of the Transaction, Liberty Global expects to attribute CWC to the LiLAC Group, with the Liberty Global Group being granted an inter-group interest in the LiLAC Group. As a result, on a pro forma basis, 25.44 per cent. of the LiLAC Ordinary Shares will be owned by existing LiLAC Group Shareholders, 7.21 per cent. of the LiLAC Ordinary Shares will be owned by existing CWC Shareholders, and 67.35 per cent. of the LiLAC Ordinary Shares will be represented by the inter-group interest in favour of the Liberty Global Group.

If any CWC dividend or other distribution is declared, made, announced or paid at any time on or after the date of this announcement and prior to the Effective Date, other than the Special Dividend, or in excess of the Special Dividend, Liberty Global reserves the right to reduce the value implied

under the terms of the Acquisition at such date by an amount equal to the excess amount in the case of the Special Dividend, or otherwise by the amount of all or part of any such other dividend (in each case, based on the \$/£ exchange rate at the time of such declaration, announcement, making or payment) by reducing the Special Dividend and/or the Consideration.

Such CWC Shares amount to, in aggregate, 1,557,529,605 CWC Shares, representing approximately 35.7 per cent. of the ordinary share capital of CWC in issue on 13 November 2015 (being the latest practicable date prior to the date of this announcement). The irrevocable undertakings given by the CWC Directors (other than Brendan Paddick) provide that each such CWC Director will elect to take (or procure an election to take) the Recommended Offer.

Further details of these irrevocable undertakings are set out in Appendix III to this announcement.

Irrevocable undertakings received by CWC

CWC has received an irrevocable undertaking from John Malone to vote (or procure the voting) in favour of the Liberty Global Resolutions to be proposed at the Liberty Global General Meeting in respect of those Liberty Global Shares owned and/or controlled by John Malone, John Malone's spouse and the Malone LG 2013 Charitable Remainder Trust. Such Liberty Global Shares amount to, in aggregate, 1,042,480 Liberty Global Class A Ordinary Shares, 8,677,225 Liberty Global Class B Ordinary Shares, 52,123 LiLAC Class A Ordinary Shares and 433,861 LiLAC Class B Ordinary Shares, representing approximately 24.6 per cent. of the shareholder voting rights of Liberty Global on 13 November 2015 (being the latest practicable date prior to the date of this announcement).

Further details of this irrevocable undertaking are set out in Appendix IV to this announcement.

18. Description of the Scheme and the Merger

Transaction

It is intended that, once the Conditions have been satisfied or (where applicable) waived, as applicable, the Transaction will be effected by way of a two-step, integrated process. The first step will be the acquisition by Liberty Global of the entire issued and to be issued share capital of CWC by way of a Court-sanctioned scheme of arrangement between CWC and the Scheme Shareholders under Part 26 of the Companies Act. In the second step, following the Scheme becoming effective, pursuant to a merger by formation of a new company under the Cross-Border Merger Regulations and Part 3A of Title 7 of Book 2 of the Dutch Civil Code, it is intended that CWC and LGE will be dissolved without going into liquidation and each of their assets and liabilities will be transferred to a newly formed English private limited company.

Scheme of Arrangement

The purpose of the Scheme is to provide for Liberty Global to become the owner of the whole of the issued and to be issued share capital of CWC.

Under the Scheme, the Scheme Shares will be transferred to Liberty Global in consideration for which Scheme Shareholders will receive the Consideration.

The Scheme will be subject to the Conditions and further terms and conditions referred to in Appendix I to this announcement and to be set out in the Scheme Document. The Acquisition will lapse if the Scheme does not become effective by the Long Stop Date.

To become effective, the Scheme requires the approval of Scheme Shareholders by the passing of a resolution at the Court Meeting. The resolution must be approved by a majority in number of the Scheme Shareholders present and voting (and entitled to vote), either in person or by proxy, representing not less than 75 per cent. of the Scheme Shares held by such Scheme Shareholders. In addition, special resolution(s) must be passed at the CWC General Meeting, requiring the approval of CWC Shareholders representing at least 75 per cent. of the votes cast at the CWC General Meeting (either in person or by proxy). The CWC General Meeting will be held immediately after the Court Meeting.

The CWC Meetings are currently expected to be held in the first quarter of 2016, around the same time as the Liberty Global General Meeting, as will be set out in the Scheme Document in due course (or such later date as is agreed between Liberty Global and CWC).

Following the CWC Meetings, the Scheme must be sanctioned by the Court. The Scheme will only become effective once a copy of the Scheme Court Order sanctioning the Scheme is delivered to the Registrar of Companies.

Liberty Global may cause the Acquisition to lapse if: (i) the approval of the requisite majorities of Scheme Shareholders at the Court Meeting is not obtained on or before the Long Stop Date; (ii) the approval of the requisite majority of CWC Shareholders to pass the special resolution(s) to be proposed at the CWC General Meeting is not obtained on or before the Long Stop Date; or (iii) following the Scheme being sanctioned by the Court, the Scheme Court Order is not delivered to the Registrar of Companies for registration on or before the 14th day after the Scheme Court Hearing, or such later date as may be agreed by Liberty Global.

Upon the Scheme becoming effective, it will be binding on all CWC Shareholders, irrespective of whether or not they attended or voted at the CWC Meetings (and, if they attended and voted, whether or not they voted in favour). The Consideration will be despatched by Liberty Global to Scheme Shareholders no later than 14 days after the Effective Date and the Special Dividend will also be paid to CWC Shareholders on the register of members of CWC at 6 p.m. (London time) on the Business Day immediately prior to the Effective Date no later than 14 days after the Effective Date. Share certificates in respect of CWC Shares will cease to be valid and entitlements to CWC Shares held within the CREST system will be cancelled.

The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting and the CWC General Meeting and the expected timetable for the Transaction, and will specify the action to be taken by Scheme Shareholders. It is anticipated that the Scheme Document

will be sent to CWC Shareholders around the same time as the Proxy Statement is sent to Liberty Global Shareholders and within four months of the date of this announcement.

Fractions of New Liberty Global Class A Ordinary Shares, New Liberty Global Class C Ordinary Shares, New LiLAC Class A Ordinary Shares and New LiLAC Class C Ordinary Shares will not be allotted or issued to CWC Shareholders. Fractional entitlements to New Liberty Global Class A Ordinary Shares, New Liberty Global Class C Ordinary Shares, New LiLAC Class A Ordinary Shares and New LiLAC Class C Ordinary Shares will be aggregated and sold in the market as soon as practicable after the Scheme becomes effective and the net proceeds of sale will then be distributed in cash pro rata to persons entitled thereto.

The Scheme will be governed by English law. The Scheme will be subject to the applicable requirements of the Code, the Panel, the London Stock Exchange and the Financial Conduct Authority.

The Scheme is expected to become effective in the second quarter of 2016. An expected timetable of principal events of the Scheme will be included in the Scheme Document.

Merger

Following, and conditional upon, the Scheme becoming effective, Liberty Global intends that CWC and LGE, a wholly-owned subsidiary of Liberty Global will be dissolved without going into liquidation and on dissolution each of their assets and liabilities will be transferred (pursuant to applicable law) to a newly formed wholly-owned subsidiary of Liberty Global.

CWC and LGE would be required to comply with the procedure set out in the Cross-Border Merger Regulations and Part 3A of Title 7 of Book 2 of the Dutch Civil Code, which include certain prescribed pre-merger steps followed by CWC and LGE each obtaining a certificate of satisfaction of such steps from the Court and a Dutch notary, respectively. The Court would then make an order (on the application of CWC and LGE) approving the completion of the Merger. CWC and LGE expect to agree draft terms of merger for the purpose of the Merger in due course, which would be filed with Companies House at the appropriate time.

On 16 November 2015, Liberty Global delivered a letter to CWC, receipt of which was acknowledged by CWC, describing the steps of the Scheme, the Merger and certain related transactions and the intention for the Scheme and the Merger to constitute a single, integrated transaction that qualifies as a reorganisation for US federal income tax purposes, which is a plan of reorganisation within the meaning of US Treasury Regulation 1.368-2(g) (the “**Plan of Reorganisation Letter**”).

The Scheme followed by the Merger (or, if applicable, an Offer followed by the Merger) is intended to constitute a single, integrated transaction that qualifies as a reorganisation for US federal income tax purposes with the exchange of stock by US CWC shareholders generally eligible for non-recognition treatment under US tax rules.

The Scheme Document will include full details of the Merger. The Merger will be governed by English law and Dutch law.

19. Liberty Global Shareholder Approval

The issuance of New Liberty Global Ordinary Shares and New LiLAC Ordinary Shares to CWC Shareholders requires approval by the Liberty Global Shareholders under applicable NASDAQ listing rules. The acquisition by Liberty Global of CWC Shares from CHLLC, an entity controlled by John Malone, who is Liberty Global's Chairman, constitutes a substantial property transaction pursuant to the Companies Act and therefore also requires approval by the Liberty Global Shareholders.

Liberty Global will prepare and send to Liberty Global Shareholders the Proxy Statement summarising the background to and reasons for the Transaction which will include a notice convening the Liberty Global General Meeting. The Transaction is conditional on, among other things, the Liberty Global Resolutions in respect of the matters set out in paragraphs 2(i) and (j) of Appendix I being passed by the requisite majority of Liberty Global Shareholders at the Liberty Global General Meeting (but not, for the avoidance of doubt, any other resolutions which may be proposed at the Liberty Global General Meeting which shall not be conditions to the Transaction).

It is expected that the Proxy Statement will be filed with the SEC and sent to Liberty Global Shareholders at the same time as the Scheme Document is sent to CWC Shareholders and within four months of the date of this announcement. It is anticipated that the Liberty Global General Meeting will be held within five months of the date of this announcement.

20. Offer related Arrangements

Co-operation Agreement

Liberty Global and CWC have entered into the Co-operation Agreement pursuant to which Liberty Global has agreed to provide its reasonable co-operation to CWC and its advisers, and to use its reasonable endeavours, to satisfy the Conditions as promptly as possible following the date of the Co-operation Agreement and, in any event, by the Long Stop Date.

Each of Liberty Global and CWC has undertaken, among other things, to co-operate with each other and to use reasonable endeavours to provide information and assistance in relation to filings, notifications or submissions to be made in connection with implementing the Transaction and obtaining clearances. In addition, Liberty Global has undertaken to provide assistance in connection with the preparation of the Scheme Document and implementation of the Scheme.

The Co-operation Agreement records Liberty Global's and CWC's intention to implement the Transaction by way of the Scheme, subject to the ability of Liberty Global to proceed by way of an Offer in the circumstances described in paragraph 25 of this announcement, followed by the Merger.

By way of compensation for any loss suffered by CWC in connection with the preparation and negotiation of the Transaction and the documents relating to it, Liberty Global has agreed to pay to CWC US\$50 million if, on or prior to the Long Stop Date, Liberty Global:

- without CWC's consent, withdraws, modifies or qualifies its unanimous (other than in the case of John Malone, who will not vote on the recommendation) and unconditional recommendation that Liberty Global Shareholders vote in favour of the Liberty Global Resolutions (the "**Liberty Global Recommendation**"); or
- fails to include the Liberty Global Recommendation in the Proxy Statement when it is transmitted to Liberty Global Shareholders (or announces that it will not do so); or

- fails to convene the Liberty Global General Meeting prior to the Long Stop Date, provided that the SEC has advised Liberty Global in writing at least 45 days prior to the Long Stop Date that it has completed its review of the Proxy Statement,

(each, a “**Liberty Global Adverse Recommendation Change**”).

The Co-operation Agreement also contains provisions that will apply in respect of certain employee-related matters.

Liberty Global has the right to terminate the Co-operation Agreement if the Scheme Document (or Offer Document, as the case may be) does not include a unanimous and unconditional recommendation from the CWC Directors of the Scheme (or an Offer, as the case may be); if the recommendation of the CWC Directors is no longer unanimous or is withdrawn, qualified or modified at any time; or where a competing proposal is recommended by the CWC Directors. Each of Liberty Global and CWC has a right to terminate the Co-operation Agreement if Liberty Global makes a Liberty Global Adverse Recommendation Change. The Co-operation Agreement will also be terminated if agreed in writing between the parties; if the Transaction lapses or is withdrawn in accordance with its terms and, where required, with the permission of the Panel; or if the Effective Date (or, in the case of an Offer, the date on which it becomes or is declared unconditional in all respects in accordance with its terms) has not occurred by the Long Stop Date.

Confidentiality agreements

On 18 August 2015, Liberty Global and CWC entered into a mutual confidentiality agreement in a customary form in relation to the Acquisition, pursuant to which they each undertook, among other things and subject to certain exceptions, to keep information relating to one another confidential and not to disclose it to third parties (other than certain permitted persons) unless required by law or regulation. Unless terminated earlier, the confidentiality obligations will remain in force for 18 months from the date of the agreement.

On 22 October 2015, Liberty Global and CWC entered into a clean team confidentiality agreement, pursuant to which they each agreed to limit the disclosure, sharing and use of certain commercially sensitive information to certain directors, officers and employees of Liberty Global and CWC and their respective affiliates.

21. Dealing arrangements

CHLLC Put Option Deed

On 31 March 2015, in connection with the Columbus Acquisition, CHLLC, an entity controlled by John Malone and a person acting in concert with Liberty Global, entered into a lock-up and put option agreement with CWC (the “**CHLLC Put Option Deed**”).

Under the terms of the CHLLC Put Option Deed, the CWC Shares held by CHLLC are subject to lock-up arrangements, an exception to which enables CHLLC to either (i) require CWC to purchase for cash up to a certain number of its CWC Shares each year from 2016 to 2019 inclusive (such right of CHLLC each year being a “**Put Option**” and the maximum number of shares that CHLLC can require CWC to purchase under these agreements each year being the “**Relevant Annual Put Shares**”); or (ii) sell up to that number of CWC Shares each year from 2016 to 2019 in the market.

Each Put Option is exercisable, in respect of some or all of the Relevant Annual Put Shares to which it relates, in the first 14 days following CWC's preliminary results announcement in the relevant year.

Other than in respect of the exercise of its Put Option over the Relevant Annual Put Shares and certain other disposals permitted each year, CHLLC is subject to a lock-up in respect of all of its CWC Shares until two months after the exercise window for the Put Options has closed in 2019 (the "**Restricted Period**"). This lock-up is, however, subject to certain exceptions, including that CHLLC is permitted to accept a general offer in respect of any of its CWC shares made to all CWC Shareholders in accordance with the Code on terms which treat all such holders equally (whether by way of takeover offer, scheme of arrangement or otherwise) and which has been recommended by the CWC Directors.

In addition, under the terms of the CHLLC Put Option Deed, all of the CWC Shares held by CHLLC are to be voted at all shareholder meetings of CWC in line with the recommendation of the CWC Directors until the end of the Restricted Period, other than in relation to any resolutions (i) which, if implemented, would be a breach of or be otherwise inconsistent with the terms of the CHLLC Put Option Deed or the sale and purchase agreement entered into by CWC on 6 November 2014 in relation to the Columbus Acquisition, or (ii) to implement a scheme of arrangement in respect of a takeover offer made for CWC that has been recommended by the CWC Directors.

CWC US Carve-Out Shareholder Arrangement Deeds

On the date of this announcement, each of the New Holdco Shareholders entered into certain shareholder arrangement deeds in respect of the Coral US Carve-out (the "**CWC US Carve-Out Shareholder Arrangement Deeds**"), pursuant to which each New Holdco Shareholder has agreed to lock-up restrictions which prohibit them from disposing of Coral Shares until the earlier of: (i) the fourth day after the date on which the transfer of Newco to New Holdco pursuant to the US Carve-out SPA is completed; and (ii) the date falling two months after the date of this announcement (subject to certain very limited exceptions).

These lock-up arrangements are required in order to ensure that, upon the transfer of Newco to New Holdco (which is expected to complete approximately 30 days following the date of this announcement), there is no indirect change of control in respect of the Coral FCC Licences.

22. Delisting and cancellation of trading and re-registration

It is intended that applications will be made to the London Stock Exchange to cancel trading in CWC Shares on the London Stock Exchange's market for listed securities on or shortly after the Effective Date and to the FCA to cancel the listing of the CWC Shares from the Official List with effect from or shortly after the Effective Date.

Share certificates in respect of the CWC Shares will cease to be valid and should be destroyed on the first Business Day following the Effective Date. In addition, entitlements held within CREST to the CWC Shares will be cancelled on the first Business Day following the Effective Date.

It is Liberty Global's intention that, following a delisting, CWC will be re-registered as a private limited company.

If the Scheme is sanctioned by the Court, CWC Shares held in treasury will be cancelled prior to the Scheme Record Time.

23. Overseas Shareholders

The availability of the Transaction, and the distribution of this announcement to persons who are not resident in the United Kingdom, may be affected by the laws of the relevant jurisdiction in which they are located. Such persons should inform themselves of and observe any applicable legal or regulatory requirements of their jurisdiction. CWC Shareholders who are in doubt about such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

This announcement does not constitute an offer for sale of any securities or an offer or an invitation to purchase any securities. CWC Shareholders are advised to read carefully the Scheme Document, the Prospectus, and the forms of proxy once these have been dispatched.

24. Documents on display

The following documents will be published by no later than 12 noon on 17 November 2015 on Liberty Global's website (<http://www.libertyglobal.com/>) and CWC's website (<http://www.cwc.com/>) in accordance with Rule 26.1 and 26.2 of the Code:

- this announcement;
- the irrevocable undertakings described in Appendix III and Appendix IV to this announcement;
- the support letter from Orbis;
- the Co-operation Agreement;
- the confidentiality agreements referred to in paragraph 20 of this announcement;
- the Commitment Letter;
- the Interim Facility Agreement;
- the Interim Facility Fee Letter;
- the Bridge Facilities Fee Letter;
- the Refinancing Facilities Fee Letter;
- the CHLLC Put Option Deed; and
- the agreements pursuant to which the CWC US Carve-Out is to be carried into effect (including the CWC US Carve-Out Shareholder Arrangement Deeds).

25. General

Liberty Global reserves the right (with the consent of the Panel) to elect in accordance with the Co-operation Agreement to implement the Transaction by way of an Offer as an alternative to the Scheme: (i) with CWC's consent; (ii) if a third party announces a firm intention to make an offer for all or part of the issued and to be issued share capital of CWC; or (iii) if the CWC Directors withdraw or modify their unanimous and unconditional recommendation of the Scheme. In such an event an Offer will be implemented on the same terms (subject to appropriate amendments and to the terms of the Co-operation Agreement), so far as applicable, as those which would apply to the Scheme.

If the Acquisition is effected by way of an Offer and such Offer becomes or is declared unconditional in all respects and sufficient acceptances are received, Liberty Global intends to: (i) apply to the

London Stock Exchange and the UK Listing Authority to cancel trading in CWC Shares on the London Stock Exchange's main market for listed securities and the listing of the CWC Shares from the Official List; and (ii) exercise its right to apply the provisions of Chapter 3 of Part 28 of the Companies Act to acquire compulsorily the remaining CWC Shares in respect of which the Offer has not been accepted.

Additional information for CWC Shareholders in the United States

This announcement, the Scheme Document and certain other documents relating to the Transaction have been or will be prepared in accordance with the Code and UK disclosure requirements, format and style, all of which differ from those in the United States. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Transaction is subject to the disclosure requirements of and practices applicable in the United Kingdom to schemes of arrangement, which differ from the disclosure requirements of the United States tender offer and proxy solicitation rules.

CWC's financial statements, and all CWC financial information that is included in this announcement or that may be included in the Scheme Document, or any other documents relating to the Transaction, have been or will be prepared in accordance with International Financial Reporting Standards and may not be comparable to financial statements of companies in the United States or other companies whose financial statements are prepared in accordance with US generally accepted accounting principles.

The New Liberty Global Class A Ordinary Shares, New Liberty Global Class C Ordinary Shares, New LiLAC Class A Ordinary Shares and New LiLAC Class C Ordinary Shares to be issued under the Transaction have not been, and are not expected to be, registered under US Securities Act or under the securities laws of any state or other jurisdiction of the United States. It is expected that the New Liberty Global Class A Ordinary Shares, New Liberty Global Class C Ordinary Shares, New LiLAC Class A Ordinary Shares and New LiLAC Class C Ordinary Shares will be issued pursuant to the Scheme in reliance upon an exemption from the registration requirements of the US Securities Act set forth in Section 3(a)(10)

Specifically, Liberty Global Shares delivered to such affiliated CWC Shareholders may not be offered, sold, resold, delivered, distributed or otherwise transferred, directly or indirectly, absent registration under the US Securities Act or an exemption therefrom.

Liberty Global reserves the right, subject to the prior consent of the Panel and in the circumstances described in this announcement, to elect to implement the Transaction by way of an Offer followed by the Merger. Any securities to be issued in connection with an Offer would be expected to be registered under the US Securities Act. In the event that Liberty Global exercises its right to implement the Transaction pursuant to an Offer followed by the Merger or otherwise in a manner that is not exempt from the registration requirements of the US Securities Act, it will file a registration statement with the SEC containing a prospectus with respect to any securities that would be issued in the Transaction. **IN THIS EVENT, CWC SHAREHOLDERS SHOULD READ THESE DOCUMENTS (INCLUDING ANY AMENDMENTS OR SUPPLEMENTS THERETO) AND ANY OTHER RELEVANT DOCUMENTS FILED WITH THE SEC BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION.** Such documents will be available free of charge at the SEC's website at www.sec.gov or by directing a request to Liberty Global's contact for enquiries identified above. If the Transaction is implemented by way of an Offer followed by the Merger, the Offer will be conducted in compliance with the applicable tender offer rules under the US Exchange Act, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder.

In accordance with, and to the extent permitted by, the Code, normal UK market practice and applicable US securities laws, JP Morgan Cazenove and their affiliates will continue to act as exempt principal traders in CWC Shares on the London Stock Exchange and will engage in certain other purchasing activities consistent with their respective normal and usual practice and applicable law, including applicable US securities laws. Any information about any such purchases will be disclosed on a next day basis to the Panel and will be available from any Regulatory Information Service, including the Regulatory News Service on the London Stock Exchange website, www.londonstockexchange.com.

Forward-looking statements

This announcement contains statements which are, or may be deemed to be, "forward-looking statements" with respect to the financial condition, results of operations and business of the CWC Group and Liberty Global and certain plans and objectives of Liberty Global with respect to the Combined Group. All statements other than statements of historical fact may be forward-looking statements. Forward-looking statements are statements of future expectations that are based on current expectations, assumptions and projections about future events, and are therefore subject to risks and uncertainties which could cause actual results, performance or events to differ materially from those expressed or implied by the forward-looking statements. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "expects", "is expected", "is subject to", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", "believes", "targets", "aims", "projects" or words or terms of similar substance or the negative thereof, as well as variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations.

Such forward-looking statements involve risks and uncertainties that could significantly affect expected results and are based on certain key assumptions. Many factors could cause actual results to differ materially from those projected or implied in any forward-looking statements included in this announcement, including (without limitation): local and global economic and business conditions; market-related risks such as fluctuations in interest rates and exchange rates; the policies and actions of regulatory authorities; the impact of competition, inflation and deflation; the timing impact and other uncertainties of future acquisitions, disposals or combinations within relevant industries (including uncertainties relating to the execution of the Transaction); as well as the impact of tax and other legislation or regulations in the jurisdictions in which Liberty Global and/or the CWC Group operate. Additional factors that could cause actual results to differ materially from such forward-looking statements are set out in Liberty Global's Annual Report on Form 10-K for the fiscal year ended 31 December 2014 and its subsequent Quarterly Reports on Form 10-Q for the fiscal quarters ended 31 March 2015, 30 June 2015 and 30 September 2015, respectively, and in the annual reports and accounts of CWC for the financial year ended 31 March 2015 and CWC's interim results for the six months ended 30 September 2015.

Due to such uncertainties and risks, readers are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date of this announcement. All forward-looking statements in this announcement are expressly qualified in their entirety by the cautionary statements contained in or referred to in this section.

Each forward-looking statement made in this announcement on behalf of Liberty Global or CWC is made as of the date of this announcement based on the opinions and estimates of Liberty Global and CWC, respectively. Each of Liberty Global, CWC and the CWC Group and their respective members, directors, officers, employees, advisers and any person acting on behalf of one or more of them, expressly disclaims

any intention or obligation to update or revise any forward-looking or other statements contained in this announcement, whether as a result of new information, future events or otherwise, except as required by applicable law. Neither Liberty Global, CWC, the CWC Group nor their respective members, directors, officers or employees, advisers or any person acting on their behalf, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur.

No forward-looking or other statements have been reviewed by the auditors of Liberty Global or CWC. All subsequent oral or written forward-looking statements attributable to any of Liberty Global, CWC, the CWC Group, or to any of their respective members, directors, officers, advisers or employees or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements above.

No profit forecasts or estimates

Nothing in this announcement is intended or shall be deemed to be a profit forecast, projection or estimate of the future financial performance of Liberty Global, CWC or the Combined Group and no statement in this announcement should be interpreted to mean that earnings or earnings per share of those persons (where relevant) for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share of those persons (where relevant).

Quantified financial benefits

Statements in the Quantified Financial Benefits Statement relate to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved may be materially different from those estimated. For the purposes of Rule 28 of the Code, the Quantified Financial Benefits Statement contained in this announcement is the responsibility of CWC and the CWC Directors. Neither these statements nor any other statement in this announcement should be construed as a profit forecast or interpreted to mean that the Combined Group's earnings in the first full year following implementation of the Transaction, or in any subsequent period, would necessarily match or be greater than or be less than those of Liberty Global or CWC for the relevant preceding financial period or any other period.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed

under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4). Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Appendix V

Quantified Financial Benefits Statement

Part A

Set out below are statements of estimated synergies arising from the Columbus Acquisition (together, the “**Quantified Financial Benefits Statement**”).

“Costs Savings

As a result of an extensive bottom-up exercise undertaken following the acquisition of Columbus, which was completed on 31 March 2015, CWC now expects to deliver recurring annual pre-tax cost savings of approximately US\$125 million, 47% higher than the previously announced benefits of US\$85 million, and one-time capital expenditure savings of approximately US\$145 million in total, unchanged from the statement of expected cost savings made on 6 November 2014, by 31 March 2018. In addition, material revenue benefits are anticipated through an improved product offering, particularly in high-speed broadband and video services and cross-selling.

The additional cost savings will come primarily from further headcount reductions, implementation of the new operating model in Panama and the Bahamas and additional benefits from the insourcing of field operations.

The CWC Group expects to incur no incremental non-recurring costs to achieve these additional synergies and, with the exception of the non-recurring costs to achieve of \$110m described below, no material dis-synergies are expected to arise from the integration of Columbus.

The statement of estimated cost savings is prepared on the basis CWC remains independent of Liberty Global and does not consider the impact of the Acquisition.

Recurring cost savings

Substantial cost savings have been identified across the following areas:

- *Headcount reductions (approximately US\$45 million): rationalisation of headcount in back office, sales and marketing and customer service roles;*
- *Network & systems consolidation (approximately US\$29 million): transition to Columbus’ fixed line network and combining infrastructure where network footprint overlaps, renegotiation of maintenance fees, consolidation of network and service operating centres, harmonisation of IT systems;*
- *Implementation of new operating model (approximately US\$24 million): centralisation of core back office functions and increased focus of in-market resources on commercial activities, focussed on Panama and the Bahamas;*
- *Insourcing of field operations and customer service (approximately US\$18 million): cancelling legacy CWC contracts with external providers for network maintenance and insourcing activities; and*
- *Property, procurement and other (approximately US\$9 million): renegotiation of vendor rates, reduction of real estate costs, leverage of Columbus’ video content buying terms and access to greater economies of scale.*

The expected costs savings are relative to a combined cost base of the CWC Group in the 12 months to 31 March 2015 of approximately US\$1.6 billion. CWC management expects to implement, in value terms, 55% of these cost savings by the end of 2015/16, 75% by the end of 2016/17 and 100% by the end of 2017/18.

To achieve these benefits CWC management anticipates one-off cash costs of US\$110 million, split approximately 65%, 15% and 20% over the three years following the acquisition.

During the six months to 30 September 2015 CWC exited approximately 560 employees generating annualised recurring savings of US\$23 million, and annualised recurring savings of US\$2 million through the closure of several administrative and retail locations and savings on video content rates and mobile costs. There were US\$34 million of exceptional cash costs related to these savings in the period.

The annual pre-tax cost savings are expected to amount to approximately US\$106 million on a proportionate basis by 31 March 2018, after accounting for the proportion of the savings which are expected accrue to minority interests, in the legacy CWC operating entities in Bahamas, Jamaica, Barbados, Grenada and Panama.

One-off capex synergies

In addition, CWC will benefit from one-time savings of approximately US\$145 million related to avoidance of duplicative one-off capital expenditure through network consolidation in the overlapping markets where there had been investment plans under Project Marlin and Columbus already has existing network infrastructure. Such synergies are expected to be split 35%, 40% and 25% over the three years to 31 March 2018.

Revenue synergies

Material revenue synergies are anticipated from selling additional services to existing customers through cross-selling of triple-play and quad-play bundles, improving legacy CWC's video offering in non-overlapping markets, improved network quality reducing customer churn and an enhanced B2B and B2G offering."

Basis of preparation

In preparing the Quantified Financial Benefits Statement, CWC has used an experienced team of senior personnel from across its business, assisted by external advisors, and with the collaboration of legacy senior management of Columbus. CWC's team has used CWC's experience of previous transformation programmes, in particular in relation to the US\$100 million recurring cost reduction programme completed in the financial year 2014/15, the Columbus senior management's experience of acquisitions, its own market intelligence and experience to assess the expected savings. CWC is currently operating a structured integration programme, with the support of external advisors, in order to capture the strategic and operational upsides from the acquisition of Columbus.

References to combined cost base refer to the combined operating costs before depreciation, amortization and impairment, which includes payments and direct costs, employee and other staff expenses, operating lease rentals, network costs, property and utility costs and other administrative expenses.

In arriving at the estimate of cost savings set out in this announcement, the CWC Directors have made the following principal assumptions:

- As regards the network:
 - The CWC and Columbus core and backhaul networks will be largely combined and continue to offer the required capacity to support customer demand;
 - Where the network is rationalised, the retained network offers sufficient capacity and headroom to continue to serve customers with no increased operational risk;
 - The adoption of Columbus' more efficient field operations model combined with fewer faults from improved network performance will lead to falls in associated costs.

- Regarding headcount savings:
 - Savings are possible through removal of duplicate resource in local markets and centrally through the roll out of the revised operating model;
 - The combined business is able to standardise and roll-out best practice systems and procedures, to generate efficiency and enable headcount reductions;

- There are no restrictions or delays imposed by industrial relations or employment agreements that significantly affect the realisation of savings from removal of overlapping headcount.
- CWC will adopt Columbus' billing system in place of its legacy billing platform, which will underpin a large proportion of IT savings;
- Procurement savings can be realised through rationalising suppliers and renegotiating supplier terms in overlapping markets;
- There is no adverse consumer reaction that has a corresponding impact upon market share as a consequence of the acquisition of Columbus;
- The management team of Columbus is retained to support the integration and running of the integrated business;
- There will be no material change to macroeconomic, political or legal conditions in the markets or regions in which legacy CWC and Columbus operate that materially impact on the successful realisation of the synergies or the one off costs to achieve these benefits; and
- There will be no significant impact on the existing underlying operations of either business, including as a result of or in connection with the integration of Columbus.

In estimating the costs to achieve the synergies, CWC management has made the following principal assumptions:

- The capex required to integrate the two networks and implement new business and operational support systems will be drawn from the US\$1.4 billion CWC Group capex programme.
