Content highlights

Building a GIGAWORLD

Over 26 million of the homes and businesses served by our networks in Europe and another 7 million served by VodafoneZiggo² in the Netherlands will be capable of GIGABit speeds once the newest version of DOCSIS technology is rolled out. We expect to connect millions more customers over the coming years.

Leadership

John Malone, Chairman

Mike Fries, Chief Executive Officer

Enrique Rodriguez, EVP & Chief Technology Officer

Charlie Bracken, EVP & Chief Financial Officer

Bryan Hall, EVP, General Counsel & Secretary

[3] Represents annualized total programming and copyright spend for the three months ended September, 2020. Includes the programming and copyright costs of our continuing operations only
